Reading For Inference And Purpose: Learn

This topic is about reading for meaning. Read in layers: first find what the text is mostly about, then collect two details, then explain how those details prove your answer. Do not copy a whole paragraph when one exact phrase or event is enough.

Mini passage:

In an Ethiopian classroom, a learner reads a short text about reading for inference and purpose. The first paragraph introduces the idea, the middle paragraph gives two actions or details, and the final paragraph shows what changed.
