KITABU QUEST P4 Creative Art

Rwanda REB-CBC learner book

Mascot: grey crowned crane

This KITABU QUEST book turns the curriculum into short lessons, worked examples, guided activities, practice, review, and home links for Rwanda learners.

How To Use This Book

This book helps P4 learners study Creative Art one teachable topic at a time.

1. Start with the inquiry question and say what you already know.
2. Read the Learn section slowly and mark new words.
3. Try the worked example before reading the full solution.
4. Complete the activity and practice tasks.
5. Correct your answer using the success criteria.
6. Ask for support when your answer is still unclear.

Subject method: Learn through examples, activities, practice, and reflection.

Learning Skills In This Book

Each topic builds knowledge, skill, values, communication, collaboration, critical thinking, creativity, digital awareness, and self-confidence.

Study actively: speak answers aloud, draw when useful, show your working, cite evidence, use local examples, and correct mistakes after feedback.

A strong answer is specific. It names the idea, gives evidence or method, applies it to the task, and checks whether it answers the question.

Table Of Contents

Use this table to move through the book one topic at a time. Each topic has a lesson opener, clear teaching, a model or example, guided work, practice, and checks for understanding.

1. Drawing And painting still Life Figures
2. Musical notes symbols and values
3. Simple time signatures
4. Motif Design
5. Music staff, treble clef and notes
6. Tempos and dynamics
7. Bass staff and grand staff
8. Letter styles
9. Sol-fa in C scale
10. Piano practice
11. Modelling and decoration
12. Practice songs in C scale
13. Fingering on the keyboard

As you finish each topic, return to the success criteria and correct one answer before moving on.

Drawing And painting still Life Figures: Lesson Opener

Learning focus: Drawing And painting still Life Figures

Country link: a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Drawing And painting still Life Figures.

Progression focus: build concrete foundations using simple examples and teacher-guided correction.

By the end of this topic, you should be able to:

- draw and paint still life figures that look solid and real Learning outcomes

Inquiry questions:

- How can drawing and painting still life figures help you solve a real problem in Creative Art?

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Drawing And painting still Life Figures: Learn

Drawing And painting still Life Figures becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Drawing And painting still Life Figures
- Drawing
- painting
- still
- Life
- Figures
- idea
- skill

Drawing And painting still Life Figures: Worked Example

Evidence model for Drawing And painting still Life Figures: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Creative Art.

Drawing And painting still Life Figures: Vocabulary And Study Skill

Use these words and study moves before you practise Drawing And painting still Life Figures. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Drawing And painting still Life Figures
- Drawing
- painting
- still
- Life
- Figures
- idea
- skill

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Drawing And painting still Life Figures without a clear example, method, or evidence.

Drawing And painting still Life Figures: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Drawing And painting still Life Figures.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Drawing And painting still Life Figures: Practice And Correction

Practice for Drawing And painting still Life Figures:

1. Plan, practise, or perform a safe creative or movement task that shows: draw and paint still life figures that look solid and real Learning outcomes. Explain the choices you made.

Correction check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to drawing and painting still life figures and write two useful sentences about it.

Drawing And painting still Life Figures: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Drawing And painting still Life Figures.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Drawing And painting still Life Figures: Outcome Check

Show that you can draw and paint still life figures that look solid and real Learning outcomes.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Musical notes symbols and values: Lesson Opener

Learning focus: Musical notes symbols and values

Country link: a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Musical notes symbols and values.

Progression focus: build concrete foundations using simple examples and teacher-guided correction.

By the end of this topic, you should be able to:

- identify and clap rhythmic patterns using whole, half, quarter, and eighth notes. Learning outcomes

Inquiry questions:

- How can musical notes symbols and values help you solve a real problem in Creative Art?

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Musical notes symbols and values: Learn

Musical notes symbols and values becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Musical notes symbols and values
- Musical
- notes
- symbols
- values
- idea
- skill
- example

Musical notes symbols and values: Worked Example

Evidence model for Musical notes symbols and values: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Creative Art.

Musical notes symbols and values: Vocabulary And Study Skill

Use these words and study moves before you practise Musical notes symbols and values. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Musical notes symbols and values
- Musical
- notes
- symbols
- values
- idea
- skill
- example

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Musical notes symbols and values without a clear example, method, or evidence.

Musical notes symbols and values: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Musical notes symbols and values.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Musical notes symbols and values: Practice And Correction

Practice for Musical notes symbols and values:

1. Plan, practise, or perform a safe creative or movement task that shows: identify and clap rhythmic patterns using whole, half, quarter, and eighth notes. Learning outcomes. Explain the choices you made.

Correction check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to musical notes symbols and values and write two useful sentences about it.

Musical notes symbols and values: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Musical notes symbols and values.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Musical notes symbols and values: Outcome Check

Show that you can identify and clap rhythmic patterns using whole, half, quarter, and eighth notes. Learning outcomes.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Simple time signatures: Lesson Opener

Learning focus: Simple time signatures

Country link: a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Simple time signatures.

Progression focus: build concrete foundations using simple examples and teacher-guided correction.

By the end of this topic, you should be able to:

- pupils are able to read and write music notes respecting time signatures. Learning outcomes

Inquiry questions:

- How can simple time signatures help you solve a real problem in Creative Art?

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Simple time signatures: Learn

Simple time signatures becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Simple time signatures
- Simple
- time
- signatures
- idea
- skill

Simple time signatures: Worked Example

Evidence model for Simple time signatures: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Creative Art.

Simple time signatures: Vocabulary And Study Skill

Use these words and study moves before you practise Simple time signatures. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Simple time signatures
- Simple
- time
- signatures
- idea
- skill
- example
- practice

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Simple time signatures without a clear example, method, or evidence.

Simple time signatures: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Simple time signatures.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Simple time signatures: Practice And Correction

Practice for Simple time signatures:

1. Plan, practise, or perform a safe creative or movement task that shows: pupils are able to read and write music notes respecting time signatures. Learning outcomes. Explain the choices you made.

Correction check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to simple time signatures and write two useful sentences about it.

Simple time signatures: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Simple time signatures.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Simple time signatures: Outcome Check

Show that you can pupils are able to read and write music notes respecting time signatures. Learning outcomes.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Motif Design: Lesson Opener

Learning focus: Motif Design

Country link: a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Motif Design.

Progression focus: build concrete foundations using simple examples and teacher-guided correction.

By the end of this topic, you should be able to:

- create various motif designs on surfaces Learning outcomes

Inquiry questions:

- How can motif design help you solve a real problem in Creative Art?

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Motif Design: Learn

Motif Design becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Motif Design
- Motif
- Design
- idea
- skill
- example

Motif Design: Worked Example

Evidence model for Motif Design: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Creative Art.

Motif Design: Vocabulary And Study Skill

Use these words and study moves before you practise Motif Design. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Motif Design
- Motif
- Design
- idea
- skill
- example
- practice
- correction

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Motif Design without a clear example, method, or evidence.

Motif Design: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Motif Design.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Motif Design: Practice And Correction

Practice for Motif Design:

1. Plan, practise, or perform a safe creative or movement task that shows: create various motif designs on surfaces Learning outcomes. Explain the choices you made.

Correction check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to motif design and write two useful sentences about it.

Motif Design: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Motif Design.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Motif Design: Outcome Check

Show that you can create various motif designs on surfaces Learning outcomes.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Music staff, treble clef and notes: Lesson Opener

Learning focus: Music staff, treble clef and notes

Country link: a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Music staff, treble clef and notes.

Progression focus: build concrete foundations using simple examples and teacher-guided correction.

By the end of this topic, you should be able to:

- draw a musical staff and place a treble clef on it Learning outcomes

Inquiry questions:

- How can music staff, treble clef and notes help you solve a real problem in Creative Art?

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Music staff, treble clef and notes: Learn

Music staff, treble clef and notes becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Music staff, treble clef and notes
- Music
- staff
- treble
- clef
- notes
- idea
- skill

Music staff, treble clef and notes: Worked Example

Evidence model for Music staff, treble clef and notes: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Creative Art.

Music staff, treble clef and notes: Vocabulary And Study Skill

Use these words and study moves before you practise Music staff, treble clef and notes. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Music staff, treble clef and notes
- Music
- staff
- treble
- clef
- notes
- idea
- skill

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Music staff, treble clef and notes without a clear example, method, or evidence.

Music staff, treble clef and notes: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Music staff, treble clef and notes.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Music staff, treble clef and notes: Practice And Correction

Practice for Music staff, treble clef and notes:

1. Plan, practise, or perform a safe creative or movement task that shows: draw a musical staff and place a treble clef on it Learning outcomes. Explain the choices you made.

Correction check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to music staff, treble clef and notes and write two useful sentences about it.

Music staff, treble clef and notes: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Music staff, treble clef and notes.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Music staff, treble clef and notes: Outcome Check

Show that you can draw a musical staff and place a treble clef on it Learning outcomes.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Tempos and dynamics: Lesson Opener

Learning focus: Tempos and dynamics

Country link: a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Tempos and dynamics.

Progression focus: build concrete foundations using simple examples and teacher-guided correction.

By the end of this topic, you should be able to:

- sing respecting different tempos used in songs. Learning outcomes

Inquiry questions:

- How can tempos and dynamics help you solve a real problem in Creative Art?

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Tempos and dynamics: Learn

Tempos and dynamics becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Tempos and dynamics
- Tempos
- dynamics
- idea
- skill
- example
- practice
- correction

Tempos and dynamics: Worked Example

Evidence model for Tempos and dynamics: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Creative Art.

Tempos and dynamics: Vocabulary And Study Skill

Use these words and study moves before you practise Tempos and dynamics. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Tempos and dynamics
- Tempos
- dynamics
- idea
- skill
- example
- practice
- correction

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Tempos and dynamics without a clear example, method, or evidence.

Tempos and dynamics: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Tempos and dynamics.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Tempos and dynamics: Practice And Correction

Practice for Tempos and dynamics:

1. Plan, practise, or perform a safe creative or movement task that shows: sing respecting different tempos used in songs. Learning outcomes. Explain the choices you made.

Correction check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to tempos and dynamics and write two useful sentences about it.

Tempos and dynamics: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Tempos and dynamics.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Tempos and dynamics: Outcome Check

Show that you can sing respecting different tempos used in songs. Learning outcomes.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Bass staff and grand staff: Lesson Opener

Learning focus: Bass staff and grand staff

Country link: a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Bass staff and grand staff.

Progression focus: build concrete foundations using simple examples and teacher-guided correction.

By the end of this topic, you should be able to:

- pupils are able to write and read notes on the grand staff. Learning outcomes

Inquiry questions:

- How can bass staff and grand staff help you solve a real problem in Creative Art?

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Bass staff and grand staff: Learn

Bass staff and grand staff becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Bass staff and grand staff
- Bass
- staff
- grand
- idea
- skill
- example
- practice

Bass staff and grand staff: Worked Example

Evidence model for Bass staff and grand staff: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Creative Art.

Bass staff and grand staff: Vocabulary And Study Skill

Use these words and study moves before you practise Bass staff and grand staff. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Bass staff and grand staff
- Bass
- staff
- grand
- idea
- skill
- example
- practice

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Bass staff and grand staff without a clear example, method, or evidence.

Bass staff and grand staff: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Bass staff and grand staff.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Bass staff and grand staff: Practice And Correction

Practice for Bass staff and grand staff:

1. Plan, practise, or perform a safe creative or movement task that shows: pupils are able to write and read notes on the grand staff. Learning outcomes. Explain the choices you made.

Correction check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to bass staff and grand staff and write two useful sentences about it.

Bass staff and grand staff: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Bass staff and grand staff.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Bass staff and grand staff: Outcome Check

Show that you can pupils are able to write and read notes on the grand staff. Learning outcomes.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Letter styles: Lesson Opener

Learning focus: Letter styles

Country link: a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Letter styles.

Progression focus: build concrete foundations using simple examples and teacher-guided correction.

By the end of this topic, you should be able to:

- plan, practise, perform, or create work related to letter styles

Inquiry questions:

- How can letter styles help you solve a real problem in Creative Art?

Success criteria:

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Fingering on the keyboard.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Add five more words from your lessons and write your own meanings.

Answer And Teacher Notes

A strong Creative Art answer responds to the exact task, uses correct vocabulary, gives a clear example or evidence, and shows correction after feedback. For practical work, name materials, safety, process, quality checks, peer feedback, and one improvement made after review.

Final Project

Create a final project for Creative Art that shows what you can now do independently.

Your project must include:

1. A clear title.
2. A real-life problem, question, text, performance, investigation, design, or worked task.
3. Evidence from at least three lessons in this book.
4. A drawing, table, map, chart, model, dialogue, paragraph, performance plan, practical product, or worked solution.
5. A correction note showing one improvement after feedback.
6. A short reflection explaining what you learned, what was difficult, and what you will practise next.

Presentation check: keep the work neat, label important parts, use correct vocabulary, and be ready to explain your choices to a classmate or teacher.
