KITABU QUEST P4 Physical Education and Sports

Rwanda REB-CBC learner book

Mascot: impala

This KITABU QUEST book turns the curriculum into short lessons, worked examples, guided activities, practice, review, and home links for Rwanda learners.

How To Use This Book

This book helps P4 learners study Physical Education and Sports one teachable topic at a time.

1. Start with the inquiry question and say what you already know.
2. Read the Learn section slowly and mark new words.
3. Try the worked example before reading the full solution.
4. Complete the activity and practice tasks.
5. Correct your answer using the success criteria.
6. Ask for support when your answer is still unclear.

Subject method: Learn through examples, activities, practice, and reflection.

Learning Skills In This Book

Each topic builds knowledge, skill, values, communication, collaboration, critical thinking, creativity, digital awareness, and self-confidence.

Study actively: speak answers aloud, draw when useful, show your working, cite evidence, use local examples, and correct mistakes after feedback.

A strong answer is specific. It names the idea, gives evidence or method, applies it to the task, and checks whether it answers the question.

Table Of Contents

Use this table to move through the book one topic at a time. Each topic has a lesson opener, clear teaching, a model or example, guided work, practice, and checks for understanding.

1. Drawing Colour And Pattern
2. Music Rhythm And Singing
3. Drama Storytelling And Role Play
4. Craft Using Safe Local Materials
5. Movement Games And Teamwork
6. Health Safety And Fair Play
7. Creative Reflection And Practice
8. Arts And Sports Project

As you finish each topic, return to the success criteria and correct one answer before moving on.

Drawing Colour And Pattern: Lesson Opener

Learning focus: Drawing Colour And Pattern

Country link: a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Drawing Colour And Pattern.

Progression focus: build concrete foundations using simple examples and teacher-guided correction.

By the end of this topic, you should be able to:

- plan, practise, perform, or create work related to drawing colour and pattern

Inquiry questions:

- How can drawing colour and pattern help you solve a real problem?

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Drawing Colour And Pattern: Learn

Drawing Colour And Pattern becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Drawing Colour And Pattern
- Drawing
- Colour
- Pattern
- idea
- skill
- example
- practice

Drawing Colour And Pattern: Worked Example

Evidence model for Drawing Colour And Pattern: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Physical Education and Sports.

Drawing Colour And Pattern: Vocabulary And Study Skill

Use these words and study moves before you practise Drawing Colour And Pattern. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Drawing Colour And Pattern
- Drawing
- Colour
- Pattern
- idea
- skill
- example
- practice

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Drawing Colour And Pattern without a clear example, method, or evidence.

Drawing Colour And Pattern: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Drawing Colour And Pattern.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Drawing Colour And Pattern: Practice And Correction

Practice for Drawing Colour And Pattern:

1. Plan, practise, or perform a safe creative or movement task that shows: plan, practise, perform, or create work related to drawing colour and pattern. Explain the choices you made.

Correction check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to drawing colour and pattern and write two useful sentences about it.

Drawing Colour And Pattern: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Drawing Colour And Pattern.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Drawing Colour And Pattern: Outcome Check

Show that you can plan, practise, perform, or create work related to drawing colour and pattern.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Music Rhythm And Singing: Lesson Opener

Learning focus: Music Rhythm And Singing

Country link: a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Music Rhythm And Singing.

Progression focus: build concrete foundations using simple examples and teacher-guided correction.

By the end of this topic, you should be able to:

- plan, practise, perform, or create work related to music rhythm and singing

Inquiry questions:

- How can music rhythm and singing help you solve a real problem?

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Music Rhythm And Singing: Learn

Music Rhythm And Singing becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Music Rhythm And Singing
- Music
- Rhythm
- Singing
- idea
- skill
- example
- practice

Music Rhythm And Singing: Worked Example

Evidence model for Music Rhythm And Singing: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Physical Education and Sports.

Music Rhythm And Singing: Vocabulary And Study Skill

Use these words and study moves before you practise Music Rhythm And Singing. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Music Rhythm And Singing
- Music
- Rhythm
- Singing
- idea
- skill
- example
- practice

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Music Rhythm And Singing without a clear example, method, or evidence.

Music Rhythm And Singing: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Music Rhythm And Singing.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Music Rhythm And Singing: Practice And Correction

Practice for Music Rhythm And Singing:

1. Plan, practise, or perform a safe creative or movement task that shows: plan, practise, perform, or create work related to music rhythm and singing. Explain the choices you made.

Correction check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to music rhythm and singing and write two useful sentences about it.

Music Rhythm And Singing: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Music Rhythm And Singing.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Music Rhythm And Singing: Outcome Check

Show that you can plan, practise, perform, or create work related to music rhythm and singing.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Drama Storytelling And Role Play: Lesson Opener

Learning focus: Drama Storytelling And Role Play

Country link: a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Drama Storytelling And Role Play.

Progression focus: build concrete foundations using simple examples and teacher-guided correction.

By the end of this topic, you should be able to:

- plan, practise, perform, or create work related to drama storytelling and role play

Inquiry questions:

- How can drama storytelling and role play help you solve a real problem?

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Drama Storytelling And Role Play: Learn

Drama Storytelling And Role Play becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Drama Storytelling And Role Play
- Drama
- Storytelling
- Role
- Play
- idea
- skill
- example

Drama Storytelling And Role Play: Worked Example

Evidence model for Drama Storytelling And Role Play: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Physical Education and Sports.

Drama Storytelling And Role Play: Vocabulary And Study Skill

Use these words and study moves before you practise Drama Storytelling And Role Play. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Drama Storytelling And Role Play
- Drama
- Storytelling
- Role
- Play
- idea
- skill
- example

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Drama Storytelling And Role Play without a clear example, method, or evidence.

Drama Storytelling And Role Play: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Drama Storytelling And Role Play.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Drama Storytelling And Role Play: Practice And Correction

Practice for Drama Storytelling And Role Play:

1. Plan, practise, or perform a safe creative or movement task that shows: plan, practise, perform, or create work related to drama storytelling and role play. Explain the choices you made.

Correction check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to drama storytelling and role play and write two useful sentences about it.

Drama Storytelling And Role Play: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Drama Storytelling And Role Play.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Drama Storytelling And Role Play: Outcome Check

Show that you can plan, practise, perform, or create work related to drama storytelling and role play.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Craft Using Safe Local Materials: Lesson Opener

Learning focus: Craft Using Safe Local Materials

Country link: a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Craft Using Safe Local Materials.

Progression focus: build concrete foundations using simple examples and teacher-guided correction.

By the end of this topic, you should be able to:

- plan, practise, perform, or create work related to craft using safe local materials

Inquiry questions:

- How can craft using safe local materials help you solve a real problem?

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Craft Using Safe Local Materials: Learn

Craft Using Safe Local Materials becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Craft Using Safe Local Materials
- Craft
- Using
- Safe
- Local
- Materials
- idea
- skill

Craft Using Safe Local Materials: Worked Example

Evidence model for Craft Using Safe Local Materials: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Physical Education and Sports.

Craft Using Safe Local Materials: Vocabulary And Study Skill

Use these words and study moves before you practise Craft Using Safe Local Materials. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Craft Using Safe Local Materials
- Craft
- Using
- Safe
- Local
- Materials
- idea
- skill

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Craft Using Safe Local Materials without a clear example, method, or evidence.

Craft Using Safe Local Materials: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Craft Using Safe Local Materials.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Craft Using Safe Local Materials: Practice And Correction

Practice for Craft Using Safe Local Materials:

1. Plan, practise, or perform a safe creative or movement task that shows: plan, practise, perform, or create work related to craft using safe local materials. Explain the choices you made.

Correction check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to craft using safe local materials and write two useful sentences about it.

Craft Using Safe Local Materials: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Craft Using Safe Local Materials.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Craft Using Safe Local Materials: Outcome Check

Show that you can plan, practise, perform, or create work related to craft using safe local materials.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Movement Games And Teamwork: Lesson Opener

Learning focus: Movement Games And Teamwork

Country link: a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Movement Games And Teamwork.

Progression focus: build concrete foundations using simple examples and teacher-guided correction.

By the end of this topic, you should be able to:

- plan, practise, perform, or create work related to movement games and teamwork

Inquiry questions:

- How can movement games and teamwork help you solve a real problem?

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Movement Games And Teamwork: Learn

Movement Games And Teamwork becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Movement Games And Teamwork
- Movement
- Games
- Teamwork
- idea
- skill
- example
- practice

Movement Games And Teamwork: Worked Example

Evidence model for Movement Games And Teamwork: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Physical Education and Sports.

Movement Games And Teamwork: Vocabulary And Study Skill

Use these words and study moves before you practise Movement Games And Teamwork. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Movement Games And Teamwork
- Movement
- Games
- Teamwork
- idea
- skill
- example
- practice

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Movement Games And Teamwork without a clear example, method, or evidence.

Movement Games And Teamwork: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Movement Games And Teamwork.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Movement Games And Teamwork: Practice And Correction

Practice for Movement Games And Teamwork:

1. Plan, practise, or perform a safe creative or movement task that shows: plan, practise, perform, or create work related to movement games and teamwork. Explain the choices you made.

Correction check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to movement games and teamwork and write two useful sentences about it.

Movement Games And Teamwork: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Movement Games And Teamwork.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Movement Games And Teamwork: Outcome Check

Show that you can plan, practise, perform, or create work related to movement games and teamwork.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Health Safety And Fair Play: Lesson Opener

Learning focus: Health Safety And Fair Play

Country link: a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Health Safety And Fair Play.

Progression focus: build concrete foundations using simple examples and teacher-guided correction.

By the end of this topic, you should be able to:

- plan, practise, perform, or create work related to health safety and fair play

Inquiry questions:

- How can health safety and fair play help you solve a real problem?

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Health Safety And Fair Play: Learn

Health Safety And Fair Play becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Health Safety And Fair Play
- Health
- Safety
- Fair
- Play
- idea

Health Safety And Fair Play: Worked Example

Evidence model for Health Safety And Fair Play: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Physical Education and Sports.

Health Safety And Fair Play: Vocabulary And Study Skill

Use these words and study moves before you practise Health Safety And Fair Play. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Health Safety And Fair Play
- Health
- Safety
- Fair
- Play
- idea
- skill
- example

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Health Safety And Fair Play without a clear example, method, or evidence.

Health Safety And Fair Play: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Health Safety And Fair Play.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Health Safety And Fair Play: Practice And Correction

Practice for Health Safety And Fair Play:

1. Plan, practise, or perform a safe creative or movement task that shows: plan, practise, perform, or create work related to health safety and fair play. Explain the choices you made.

Correction check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to health safety and fair play and write two useful sentences about it.

Health Safety And Fair Play: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Health Safety And Fair Play.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Health Safety And Fair Play: Outcome Check

Show that you can plan, practise, perform, or create work related to health safety and fair play.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Creative Reflection And Practice: Lesson Opener

Learning focus: Creative Reflection And Practice

Country link: a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Creative Reflection And Practice.

Progression focus: build concrete foundations using simple examples and teacher-guided correction.

By the end of this topic, you should be able to:

- plan, practise, perform, or create work related to creative reflection and practice

Inquiry questions:

- How can creative reflection and practice help you solve a real problem?

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Creative Reflection And Practice: Learn

Creative Reflection And Practice becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Creative Reflection And Practice
- Creative
- Reflection
- Practice
- idea
- skill
- example
- practice

Creative Reflection And Practice: Worked Example

Evidence model for Creative Reflection And Practice: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Physical Education and Sports.

Creative Reflection And Practice: Vocabulary And Study Skill

Use these words and study moves before you practise Creative Reflection And Practice. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Creative Reflection And Practice
- Creative
- Reflection
- Practice
- idea
- skill
- example
- practice

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Creative Reflection And Practice without a clear example, method, or evidence.

Creative Reflection And Practice: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Creative Reflection And Practice.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Creative Reflection And Practice: Practice And Correction

Practice for Creative Reflection And Practice:

1. Plan, practise, or perform a safe creative or movement task that shows: plan, practise, perform, or create work related to creative reflection and practice. Explain the choices you made.

Correction check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to creative reflection and practice and write two useful sentences about it.

Creative Reflection And Practice: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Creative Reflection And Practice.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Creative Reflection And Practice: Outcome Check

Show that you can plan, practise, perform, or create work related to creative reflection and practice.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Arts And Sports Project: Lesson Opener

Learning focus: Arts And Sports Project

Country link: a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Arts And Sports Project.

Progression focus: build concrete foundations using simple examples and teacher-guided correction.

By the end of this topic, you should be able to:

- plan, practise, perform, or create work related to arts and sports project

Inquiry questions:

- How can arts and sports project help you solve a real problem?

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Arts And Sports Project: Learn

Arts And Sports Project becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Arts And Sports Project
- Arts
- Sports
- Project
- idea
- skill
- example
- practice

Arts And Sports Project: Worked Example

Arts And Sports Project: Outcome Check

Show that you can plan, practise, perform, or create work related to arts and sports project.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Drawing Colour And Pattern: Plan

Practical workshop for Drawing Colour And Pattern: Plan.

1. Read the task and name the exact creative, craft, music, movement, design, display, or performance skill.
2. List safe materials, tools, body movement, space, or instruments needed.
3. Practise one small part slowly before doing the full work.
4. Check quality: control, neatness, rhythm, balance, expression, teamwork, care of materials, and safety.
5. Ask a partner for one kind observation and one improvement idea.
6. Improve the work and write what changed.

Reflection: What skill improved? What evidence shows improvement? What will you practise next time?

Music Rhythm And Singing: Materials And Safety

Practical workshop for Music Rhythm And Singing: Materials And Safety.

1. Read the task and name the exact creative, craft, music, movement, design, display, or performance skill.
2. List safe materials, tools, body movement, space, or instruments needed.
3. Practise one small part slowly before doing the full work.
4. Check quality: control, neatness, rhythm, balance, expression, teamwork, care of materials, and safety.
5. Ask a partner for one kind observation and one improvement idea.
6. Improve the work and write what changed.

Reflection: What skill improved? What evidence shows improvement? What will you practise next time?

Drama Storytelling And Role Play: Skill Practice

Practical workshop for Drama Storytelling And Role Play: Skill Practice.

1. Read the task and name the exact creative, craft, music, movement, design, display, or performance skill.
2. List safe materials, tools, body movement, space, or instruments needed.
3. Practise one small part slowly before doing the full work.
4. Check quality: control, neatness, rhythm, balance, expression, teamwork, care of materials, and safety.
5. Ask a partner for one kind observation and one improvement idea.
6. Improve the work and write what changed.

Reflection: What skill improved? What evidence shows improvement? What will you practise next time?

Craft Using Safe Local Materials: Create Or Perform

Practical workshop for Craft Using Safe Local Materials: Create Or Perform.

1. Read the task and name the exact creative, craft, music, movement, design, display, or performance skill.
2. List safe materials, tools, body movement, space, or instruments needed.
3. Practise one small part slowly before doing the full work.
4. Check quality: control, neatness, rhythm, balance, expression, teamwork, care of materials, and safety.
5. Ask a partner for one kind observation and one improvement idea.
6. Improve the work and write what changed.

Reflection: What skill improved? What evidence shows improvement? What will you practise next time?

Movement Games And Teamwork: Peer Feedback

Practical workshop for Movement Games And Teamwork: Peer Feedback.

1. Read the task and name the exact creative, craft, music, movement, design, display, or performance skill.
2. List safe materials, tools, body movement, space, or instruments needed.
3. Practise one small part slowly before doing the full work.
4. Check quality: control, neatness, rhythm, balance, expression, teamwork, care of materials, and safety.
5. Ask a partner for one kind observation and one improvement idea.
6. Improve the work and write what changed.

Reflection: What skill improved? What evidence shows improvement? What will you practise next time?

Health Safety And Fair Play: Improve And Reflect

Practical workshop for Health Safety And Fair Play: Improve And Reflect.

1. Read the task and name the exact creative, craft, music, movement, design, display, or performance skill.
2. List safe materials, tools, body movement, space, or instruments needed.
3. Practise one small part slowly before doing the full work.
4. Check quality: control, neatness, rhythm, balance, expression, teamwork, care of materials, and safety.
5. Ask a partner for one kind observation and one improvement idea.
6. Improve the work and write what changed.

Reflection: What skill improved? What evidence shows improvement? What will you practise next time?

Creative Reflection And Practice: Plan

Practical workshop for Creative Reflection And Practice: Plan.

1. Read the task and name the exact creative, craft, music, movement, design, display, or performance skill.
2. List safe materials, tools, body movement, space, or instruments needed.
3. Practise one small part slowly before doing the full work.
4. Check quality: control, neatness, rhythm, balance, expression, teamwork, care of materials, and safety.
5. Ask a partner for one kind observation and one improvement idea.
6. Improve the work and write what changed.

Reflection: What skill improved? What evidence shows improvement? What will you practise next time?

Arts And Sports Project: Materials And Safety

Practical workshop for Arts And Sports Project: Materials And Safety.

Add five more words from your lessons and write your own meanings.

Answer And Teacher Notes

A strong Physical Education and Sports answer responds to the exact task, uses correct vocabulary, gives a clear example or evidence, and shows correction after feedback. For practical work, name materials, safety, process, quality checks, peer feedback, and one improvement made after review.

Final Project

Create a final project for Physical Education and Sports that shows what you can now do independently.

Your project must include:

1. A clear title.
2. A real-life problem, question, text, performance, investigation, design, or worked task.
3. Evidence from at least three lessons in this book.
4. A drawing, table, map, chart, model, dialogue, paragraph, performance plan, practical product, or worked solution.
5. A correction note showing one improvement after feedback.
6. A short reflection explaining what you learned, what was difficult, and what you will practise next.

Presentation check: keep the work neat, label important parts, use correct vocabulary, and be ready to explain your choices to a classmate or teacher.
