KITABU QUEST P4 Social Studies and Religious Education

Rwanda REB-CBC learner book

Mascot: mountain gorilla

This KITABU QUEST book turns the curriculum into short lessons, worked examples, guided activities, practice, review, and home links for Rwanda learners.

How To Use This Book

This book helps P4 learners study Social Studies and Religious Education one teachable topic at a time.

1. Start with the inquiry question and say what you already know.
2. Read the Learn section slowly and mark new words.
3. Try the worked example before reading the full solution.
4. Complete the activity and practice tasks.
5. Correct your answer using the success criteria.
6. Ask for support when your answer is still unclear.

Subject method: Use community examples, maps, values, sources, and respectful discussion.

Learning Skills In This Book

Each topic builds knowledge, skill, values, communication, collaboration, critical thinking, creativity, digital awareness, and self-confidence.

Study actively: speak answers aloud, draw when useful, show your working, cite evidence, use local examples, and correct mistakes after feedback.

A strong answer is specific. It names the idea, gives evidence or method, applies it to the task, and checks whether it answers the question.

Table Of Contents

Use this table to move through the book one topic at a time. Each topic has a lesson opener, clear teaching, a model or example, guided work, practice, and checks for understanding.

1. Socio-economic activities in our district
2. Economy
3. Civics and Governance
4. Weather, Flora and Fauna
5. Traditional Rwanda

As you finish each topic, return to the success criteria and correct one answer before moving on.

Socio-economic activities in our district: Lesson Opener

Learning focus: Socio-economic activities in our district

Country link: a Rwandan map, community, citizenship, culture, environment, or heritage example for Socio-economic activities in our district.

Progression focus: build concrete foundations using simple examples and teacher-guided correction.

By the end of this topic, you should be able to:

- compare socio- economic activities of his/her district with those of the neighbouring districts and recognize their importance in the development of the District
- locate his/her District on the provincial and Rwandan maps
- economic activities of his/ her district
- describe the location of his/ her district on the provincial and Rwandan maps
- acknowledge the importance of social economic activities in his/her district

Inquiry questions:

- How can socio-economic activities in our district help you solve a real problem in Social Studies and Religious Education?

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Socio-economic activities in our district: Learn

Socio-economic activities in our district becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Socio-economic activities in our district
- Socio-economic
- activities
- district
- idea
- skill
- example
- practice

Socio-economic activities in our district: Worked Example

Evidence model for Socio-economic activities in our district: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Social Studies and Religious Education.

Socio-economic activities in our district: Vocabulary And Study Skill

Use these words and study moves before you practise Socio-economic activities in our district. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Socio-economic activities in our district
- Socio-economic
- activities
- district
- idea
- skill
- example
- practice

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Socio-economic activities in our district without a clear example, method, or evidence.

Socio-economic activities in our district: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a Rwandan map, community, citizenship, culture, environment, or heritage example for Socio-economic activities in our district.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Socio-economic activities in our district: Practice And Correction

Practice for Socio-economic activities in our district:

1. Use an example from your community or country to explain: compare socio- economic activities of his/her district with those of the neighbouring districts and recognize their importance in the development of the District.
2. Use an example from your community or country to explain: locate his/her District on the provincial and Rwandan maps.
3. Use an example from your community or country to explain: economic activities of his/ her district.
4. Use an example from your community or country to explain: describe the location of his/ her district on the provincial and Rwandan maps.

Correction check:

- answer uses a real example
- reasoning is clear
- work is checked

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to socio-economic activities in our district and write two useful sentences about it.

Socio-economic activities in our district: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Socio-economic activities in our district.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- answer uses a real example
- reasoning is clear
- work is checked

Socio-economic activities in our district: Outcome Check

Show that you can compare socio- economic activities of his/her district with those of the neighbouring districts and recognize their importance in the development of the District.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Socio-economic activities in our district: Outcome Check

Show that you can locate his/her District on the provincial and Rwandan maps.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Economy: Lesson Opener

Learning focus: Economy

Country link: a Rwandan map, community, citizenship, culture, environment, or heritage example for Economy.

Progression focus: build concrete foundations using simple examples and teacher-guided correction.

By the end of this topic, you should be able to:

- develop culture of making priorities and savings
- define needs and wants
- identify needs and wants in society
- identify different activities that generate income
- give examples of circumstances that affect people spending
- explain how the environment helps to meet human needs

Inquiry questions:

- How can economy help you solve a real problem in Social Studies and Religious Education?

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Economy: Learn

Economy becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Economy
- idea
- skill
- example
- practice
- correction

Economy: Worked Example

Evidence model for Economy: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Social Studies and Religious Education.

Economy: Vocabulary And Study Skill

Use these words and study moves before you practise Economy. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Economy
- idea
- skill
- example
- practice
- correction

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Economy without a clear example, method, or evidence.

Economy: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a Rwandan map, community, citizenship, culture, environment, or heritage example for Economy.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Economy: Practice And Correction

Practice for Economy:

1. Use an example from your community or country to explain: develop culture of making priorities and savings.
2. Use an example from your community or country to explain: define needs and wants.
3. Use an example from your community or country to explain: identify needs and wants in society.
4. Use an example from your community or country to explain: identify different activities that generate income.

Correction check:

- answer uses a real example
- reasoning is clear
- work is checked

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to economy and write two useful sentences about it.

Economy: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Economy.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- answer uses a real example
- reasoning is clear
- work is checked

Economy: Outcome Check

Show that you can develop culture of making priorities and savings.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Economy: Outcome Check

Show that you can define needs and wants.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Civics and Governance: Lesson Opener

Learning focus: Civics and Governance

Country link: a Rwandan map, community, citizenship, culture, environment, or heritage example for Civics and Governance.

Progression focus: build concrete foundations using simple examples and teacher-guided correction.

By the end of this topic, you should be able to:

- describe the Rwandan coat of arms, acceptable peer pressure behaviour and District leadership
- identify different elements of Rwanda coat of arms
- define harmony and disharmony
- define a leader and leadership
- name the main district leaders and their roles
- describe the Rwandan coat of arms

Inquiry questions:

- How can civics and governance help you solve a real problem in Social Studies and Religious Education?

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Civics and Governance: Learn

Civics and Governance becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Civics and Governance
- Civics
- Governance
- idea
- skill
- example
- practice
- correction

Civics and Governance: Worked Example

Evidence model for Civics and Governance: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Social Studies and Religious Education.

Civics and Governance: Vocabulary And Study Skill

Use these words and study moves before you practise Civics and Governance. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Civics and Governance
- Civics
- Governance
- idea
- skill
- example
- practice

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Civics and Governance without a clear example, method, or evidence.

Civics and Governance: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a Rwandan map, community, citizenship, culture, environment, or heritage example for Civics and Governance.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Civics and Governance: Practice And Correction

Practice for Civics and Governance:

1. Use an example from your community or country to explain: describe the Rwandan coat of arms, acceptable peer pressure behaviour and District leadership.
2. Use an example from your community or country to explain: identify different elements of Rwanda coat of arms.
3. Use an example from your community or country to explain: define harmony and disharmony.
4. Use an example from your community or country to explain: define a leader and leadership.

Correction check:

- answer uses a real example
- reasoning is clear
- work is checked

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to civics and governance and write two useful sentences about it.

Civics and Governance: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Civics and Governance.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- answer uses a real example
- reasoning is clear
- work is checked

Civics and Governance: Outcome Check

Show that you can describe the Rwandan coat of arms, acceptable peer pressure behaviour and District leadership.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Civics and Governance: Outcome Check

Show that you can identify different elements of Rwanda coat of arms.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Weather, Flora and Fauna: Lesson Opener

Learning focus: Weather, Flora and Fauna

Country link: a Rwandan map, community, citizenship, culture, environment, or heritage example for Weather, Flora and Fauna.

Progression focus: build concrete foundations using simple examples and teacher-guided correction.

By the end of this topic, you should be able to:

- recognize the importance of weather, flora and fauna in the district and how to preserve them
- state main elements of weather
- suggest ways of preventing effects of bad weather
- identify different ways of preserving fauna

Inquiry questions:

- How can weather, flora and fauna help you solve a real problem in Social Studies and Religious Education?

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Weather, Flora and Fauna: Learn

Weather, Flora and Fauna becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Weather, Flora and Fauna
- Weather
- Flora
- Fauna
- idea
- skill
- example
- practice

Weather, Flora and Fauna: Worked Example

Evidence model for Weather, Flora and Fauna: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Social Studies and Religious Education.

Weather, Flora and Fauna: Vocabulary And Study Skill

Use these words and study moves before you practise Weather, Flora and Fauna. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Weather, Flora and Fauna
- Weather
- Flora
- Fauna
- idea
- skill
- example
- practice

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Weather, Flora and Fauna without a clear example, method, or evidence.

Weather, Flora and Fauna: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a Rwandan map, community, citizenship, culture, environment, or heritage example for Weather, Flora and Fauna.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Weather, Flora and Fauna: Practice And Correction

Practice for Weather, Flora and Fauna:

1. Use an example from your community or country to explain: recognize the importance of weather, flora and fauna in the district and how to preserve them.
2. Use an example from your community or country to explain: state main elements of weather.
3. Use an example from your community or country to explain: suggest ways of preventing effects of bad weather.
4. Use an example from your community or country to explain: identify different ways of preserving fauna.

Correction check:

- answer uses a real example
- reasoning is clear
- work is checked

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to weather, flora and fauna and write two useful sentences about it.

Weather, Flora and Fauna: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Weather, Flora and Fauna.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- answer uses a real example
- reasoning is clear
- work is checked

Weather, Flora and Fauna: Outcome Check

Show that you can recognize the importance of weather, flora and fauna in the district and how to preserve them.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Weather, Flora and Fauna: Outcome Check

Show that you can state main elements of weather.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Traditional Rwanda: Lesson Opener

Learning focus: Traditional Rwanda

Country link: a Rwandan map, community, citizenship, culture, environment, or heritage example for Traditional Rwanda.

Progression focus: build concrete foundations using simple examples and teacher-guided correction.

By the end of this topic, you should be able to:

- explain Social, political and economic organization in pre-colonial Rwanda
- describe political, social and economic organization of pre-colonial Rwanda
- show how leadership emanated/ started from family level
- explain how Rwanda was politically governed in the
- state the importance political, social and economic activities in the pre- colonial Rwanda

Inquiry questions:

- How can traditional rwanada help you solve a real problem in Social Studies and Religious Education?

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Traditional Rwanda: Learn

Traditional Rwanda becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Traditional Rwanda
- Traditional
- Rwanda
- idea
- skill
- example
- practice
- correction

Traditional Rwanda: Worked Example

Evidence model for Traditional Rwanda: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Social Studies and Religious Education.

Traditional Rwanda: Vocabulary And Study Skill

Use these words and study moves before you practise Traditional Rwanda. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Traditional Rwanda
- Traditional
- Rwanda
- idea
- skill
- example
- practice
- correction

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Traditional Rwanda without a clear example, method, or evidence.

Traditional Rwanda: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a Rwandan map, community, citizenship, culture, environment, or heritage example for Traditional Rwanda.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Traditional Rwanda: Practice And Correction

Practice for Traditional Rwanda:

1. Use an example from your community or country to explain: explain Social, political and economic organization in pre-colonial Rwanda.
2. Use an example from your community or country to explain: describe political, social and economic organization of pre-colonial Rwanda.
3. Use an example from your community or country to explain: show how leadership emanated/ started from family level.
4. Use an example from your community or country to explain: explain how Rwanda was politically governed in the.

Correction check:

- answer uses a real example
- reasoning is clear
- work is checked

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to traditional rwanda and write two useful sentences about it.

Traditional Rwanda: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Traditional Rwanda.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- answer uses a real example
- reasoning is clear
- work is checked

Traditional Rwanda: Outcome Check

Show that you can explain Social, political and economic organization in pre-colonial Rwanda.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Traditional Rwanda: Outcome Check

Show that you can describe political, social and economic organization of pre-colonial Rwanda.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Socio-economic activities in our district: Review Clinic 1

Use this review clinic to strengthen Social Studies and Religious Education without copying earlier answers.

1. Choose one idea from Socio-economic activities in our district that was difficult.
2. Explain the idea in your own words.
3. Make one new example from Rwanda.
4. Create one question that checks knowledge.
5. Create one question that checks skill or application.
6. Answer both questions and correct your work.

Challenge: Turn the idea into a drawing, table, map, dialogue, model, demonstration, or worked solution.

Economy: Review Clinic 2

Use this review clinic to strengthen Social Studies and Religious Education without copying earlier answers.

1. Choose one idea from Economy that was difficult.
2. Explain the idea in your own words.
3. Make one new example from Rwanda.
4. Create one question that checks knowledge.
5. Create one question that checks skill or application.
6. Answer both questions and correct your work.

Challenge: Turn the idea into a drawing, table, map, dialogue, model, demonstration, or worked solution.

Civics and Governance: Review Clinic 3

Use this review clinic to strengthen Social Studies and Religious Education without copying earlier answers.

1. Choose one idea from Civics and Governance that was difficult.
2. Explain the idea in your own words.
3. Make one new example from Rwanda.
4. Create one question that checks knowledge.
5. Create one question that checks skill or application.
6. Answer both questions and correct your work.

Challenge: Turn the idea into a drawing, table, map, dialogue, model, demonstration, or worked solution.

Weather, Flora and Fauna: Review Clinic 4

Use this review clinic to strengthen Social Studies and Religious Education without copying earlier answers.

1. Choose one idea from Weather, Flora and Fauna that was difficult.
2. Explain the idea in your own words.
3. Make one new example from Rwanda.
4. Create one question that checks knowledge.
5. Create one question that checks skill or application.
6. Answer both questions and correct your work.

Challenge: Turn the idea into a drawing, table, map, dialogue, model, demonstration, or worked solution.

Socio-economic activities in our district: Application Workshop 1

Application workshop 1 for Socio-economic activities in our district.

Grade move: build concrete foundations using simple examples and teacher-guided correction.

Use this page to make the topic useful beyond one short answer.

1. Name the exact idea, skill, value, process, source, tool, or example from this topic.
2. Connect it to a real situation in Rwanda school, home, community, environment, sport, art, market, or fieldwork.
3. Explain the steps, evidence, vocabulary, or choices needed.
4. Complete a clear response, table, drawing, plan, paragraph, performance note, or checklist.
5. Ask for feedback and improve one part.
6. Write what the improved answer now shows.

Extension: create one question another learner can answer.

Economy: Application Workshop 2

Application workshop 2 for Economy.

Grade move: build concrete foundations using simple examples and teacher-guided correction.

Use this page to make the topic useful beyond one short answer.

1. Name the exact idea, skill, value, process, source, tool, or example from this topic.
2. Connect it to a real situation in Rwanda school, home, community, environment, sport, art, market, or fieldwork.
3. Explain the steps, evidence, vocabulary, or choices needed.
4. Complete a clear response, table, drawing, plan, paragraph, performance note, or checklist.
5. Ask for feedback and improve one part.
6. Write what the improved answer now shows.

Extension: create one question another learner can answer.

Civics and Governance: Application Workshop 3

Application workshop 3 for Civics and Governance.

Grade move: build concrete foundations using simple examples and teacher-guided correction.

Use this page to make the topic useful beyond one short answer.

1. Name the exact idea, skill, value, process, source, tool, or example from this topic.
2. Connect it to a real situation in Rwanda school, home, community, environment, sport, art, market, or fieldwork.
3. Explain the steps, evidence, vocabulary, or choices needed.
4. Complete a clear response, table, drawing, plan, paragraph, performance note, or checklist.
5. Ask for feedback and improve one part.
6. Write what the improved answer now shows.

Extension: create one question another learner can answer.

Weather, Flora and Fauna: Application Workshop 4

Application workshop 4 for Weather, Flora and Fauna.

Grade move: build concrete foundations using simple examples and teacher-guided correction.

Use this page to make the topic useful beyond one short answer.

1. Name the exact idea, skill, value, process, source, tool, or example from this topic.
2. Connect it to a real situation in Rwanda school, home, community, environment, sport, art, market, or fieldwork.
3. Explain the steps, evidence, vocabulary, or choices needed.
4. Complete a clear response, table, drawing, plan, paragraph, performance note, or checklist.
5. Ask for feedback and improve one part.
6. Write what the improved answer now shows.

Extension: create one question another learner can answer.

Traditional Rwanda: Application Workshop 5

Application workshop 5 for Traditional Rwanda.

Grade move: build concrete foundations using simple examples and teacher-guided correction.

Use this page to make the topic useful beyond one short answer.

1. Name the exact idea, skill, value, process, source, tool, or example from this topic.
2. Connect it to a real situation in Rwanda school, home, community, environment, sport, art, market, or fieldwork.
3. Explain the steps, evidence, vocabulary, or choices needed.
4. Complete a clear response, table, drawing, plan, paragraph, performance note, or checklist.
5. Ask for feedback and improve one part.
6. Write what the improved answer now shows.

Extension: create one question another learner can answer.

Socio-economic activities in our district: Application Workshop 6

Application workshop 6 for Socio-economic activities in our district.

Grade move: build concrete foundations using simple examples and teacher-guided correction.

Use this page to make the topic useful beyond one short answer.

1. Name the exact idea, skill, value, process, source, tool, or example from this topic.
2. Connect it to a real situation in Rwanda school, home, community, environment, sport, art, market, or fieldwork.
3. Explain the steps, evidence, vocabulary, or choices needed.
4. Complete a clear response, table, drawing, plan, paragraph, performance note, or checklist.
5. Ask for feedback and improve one part.
6. Write what the improved answer now shows.

Extension: create one question another learner can answer.

Economy: Application Workshop 7

Application workshop 7 for Economy.

Grade move: build concrete foundations using simple examples and teacher-guided correction.

Use this page to make the topic useful beyond one short answer.

1. Name the exact idea, skill, value, process, source, tool, or example from this topic.
2. Connect it to a real situation in Rwanda school, home, community, environment, sport, art, market, or fieldwork.
3. Explain the steps, evidence, vocabulary, or choices needed.
4. Complete a clear response, table, drawing, plan, paragraph, performance note, or checklist.
5. Ask for feedback and improve one part.
6. Write what the improved answer now shows.

Extension: create one question another learner can answer.

Civics and Governance: Application Workshop 8

Application workshop 8 for Civics and Governance.

Grade move: build concrete foundations using simple examples and teacher-guided correction.

Use this page to make the topic useful beyond one short answer.

1. Name the exact idea, skill, value, process, source, tool, or example from this topic.
2. Connect it to a real situation in Rwanda school, home, community, environment, sport, art, market, or fieldwork.
3. Explain the steps, evidence, vocabulary, or choices needed.
4. Complete a clear response, table, drawing, plan, paragraph, performance note, or checklist.
5. Ask for feedback and improve one part.
6. Write what the improved answer now shows.

Extension: create one question another learner can answer.

Weather, Flora and Fauna: Application Workshop 9

Application workshop 9 for Weather, Flora and Fauna.

Grade move: build concrete foundations using simple examples and teacher-guided correction.

Use this page to make the topic useful beyond one short answer.

1. Name the exact idea, skill, value, process, source, tool, or example from this topic.
2. Connect it to a real situation in Rwanda school, home, community, environment, sport, art, market, or fieldwork.
3. Explain the steps, evidence, vocabulary, or choices needed.
4. Complete a clear response, table, drawing, plan, paragraph, performance note, or checklist.
5. Ask for feedback and improve one part.
6. Write what the improved answer now shows.

Extension: create one question another learner can answer.

Traditional Rwanda: Application Workshop 10

Application workshop 10 for Traditional Rwanda.

Grade move: build concrete foundations using simple examples and teacher-guided correction.

Use this page to make the topic useful beyond one short answer.

1. Name the exact idea, skill, value, process, source, tool, or example from this topic.
2. Connect it to a real situation in Rwanda school, home, community, environment, sport, art, market, or fieldwork.
3. Explain the steps, evidence, vocabulary, or choices needed.
4. Complete a clear response, table, drawing, plan, paragraph, performance note, or checklist.
5. Ask for feedback and improve one part.
6. Write what the improved answer now shows.

Extension: create one question another learner can answer.

Socio-economic activities in our district: Application Workshop 11

Application workshop 11 for Socio-economic activities in our district.

Grade move: build concrete foundations using simple examples and teacher-guided correction.

Use this page to make the topic useful beyond one short answer.

1. Name the exact idea, skill, value, process, source, tool, or example from this topic.
2. Connect it to a real situation in Rwanda school, home, community, environment, sport, art, market, or fieldwork.
3. Explain the steps, evidence, vocabulary, or choices needed.
4. Complete a clear response, table, drawing, plan, paragraph, performance note, or checklist.
5. Ask for feedback and improve one part.
6. Write what the improved answer now shows.

Extension: create one question another learner can answer.

Economy: Application Workshop 12

Application workshop 12 for Economy.

Grade move: build concrete foundations using simple examples and teacher-guided correction.

Use this page to make the topic useful beyond one short answer.

1. Name the exact idea, skill, value, process, source, tool, or example from this topic.
2. Connect it to a real situation in Rwanda school, home, community, environment, sport, art, market, or fieldwork.
3. Explain the steps, evidence, vocabulary, or choices needed.
4. Complete a clear response, table, drawing, plan, paragraph, performance note, or checklist.
5. Ask for feedback and improve one part.
6. Write what the improved answer now shows.

Extension: create one question another learner can answer.

Civics and Governance: Application Workshop 13

Application workshop 13 for Civics and Governance.

Grade move: build concrete foundations using simple examples and teacher-guided correction.

Use this page to make the topic useful beyond one short answer.

1. Name the exact idea, skill, value, process, source, tool, or example from this topic.
2. Connect it to a real situation in Rwanda school, home, community, environment, sport, art, market, or fieldwork.
3. Explain the steps, evidence, vocabulary, or choices needed.
4. Complete a clear response, table, drawing, plan, paragraph, performance note, or checklist.
5. Ask for feedback and improve one part.
6. Write what the improved answer now shows.

Extension: create one question another learner can answer.

Weather, Flora and Fauna: Application Workshop 14

Application workshop 14 for Weather, Flora and Fauna.

Grade move: build concrete foundations using simple examples and teacher-guided correction.

Use this page to make the topic useful beyond one short answer.

1. Name the exact idea, skill, value, process, source, tool, or example from this topic.
2. Connect it to a real situation in Rwanda school, home, community, environment, sport, art, market, or fieldwork.
3. Explain the steps, evidence, vocabulary, or choices needed.
4. Complete a clear response, table, drawing, plan, paragraph, performance note, or checklist.
5. Ask for feedback and improve one part.
6. Write what the improved answer now shows.

Extension: create one question another learner can answer.

Traditional Rwanda: Application Workshop 15

Application workshop 15 for Traditional Rwanda.

Grade move: build concrete foundations using simple examples and teacher-guided correction.

Use this page to make the topic useful beyond one short answer.

1. Name the exact idea, skill, value, process, source, tool, or example from this topic.
2. Connect it to a real situation in Rwanda school, home, community, environment, sport, art, market, or fieldwork.
3. Explain the steps, evidence, vocabulary, or choices needed.
4. Complete a clear response, table, drawing, plan, paragraph, performance note, or checklist.
5. Ask for feedback and improve one part.
6. Write what the improved answer now shows.

Extension: create one question another learner can answer.

Socio-economic activities in our district: Application Workshop 16

Application workshop 16 for Socio-economic activities in our district.

Grade move: build concrete foundations using simple examples and teacher-guided correction.

Use this page to make the topic useful beyond one short answer.

1. Name the exact idea, skill, value, process, source, tool, or example from this topic.
2. Connect it to a real situation in Rwanda school, home, community, environment, sport, art, market, or fieldwork.
3. Explain the steps, evidence, vocabulary, or choices needed.
4. Complete a clear response, table, drawing, plan, paragraph, performance note, or checklist.
5. Ask for feedback and improve one part.
6. Write what the improved answer now shows.

Extension: create one question another learner can answer.

Economy: Application Workshop 17

Application workshop 17 for Economy.

Grade move: build concrete foundations using simple examples and teacher-guided correction.

Use this page to make the topic useful beyond one short answer.

1. Name the exact idea, skill, value, process, source, tool, or example from this topic.
2. Connect it to a real situation in Rwanda school, home, community, environment, sport, art, market, or fieldwork.
3. Explain the steps, evidence, vocabulary, or choices needed.
4. Complete a clear response, table, drawing, plan, paragraph, performance note, or checklist.
5. Ask for feedback and improve one part.
6. Write what the improved answer now shows.

Extension: create one question another learner can answer.

Civics and Governance: Application Workshop 18

Application workshop 18 for Civics and Governance.

Grade move: build concrete foundations using simple examples and teacher-guided correction.

Use this page to make the topic useful beyond one short answer.

1. Name the exact idea, skill, value, process, source, tool, or example from this topic.
2. Connect it to a real situation in Rwanda school, home, community, environment, sport, art, market, or fieldwork.
3. Explain the steps, evidence, vocabulary, or choices needed.
4. Complete a clear response, table, drawing, plan, paragraph, performance note, or checklist.
5. Ask for feedback and improve one part.
6. Write what the improved answer now shows.

Extension: create one question another learner can answer.

Weather, Flora and Fauna: Application Workshop 19

Application workshop 19 for Weather, Flora and Fauna.

Grade move: build concrete foundations using simple examples and teacher-guided correction.

Use this page to make the topic useful beyond one short answer.

1. Name the exact idea, skill, value, process, source, tool, or example from this topic.
2. Connect it to a real situation in Rwanda school, home, community, environment, sport, art, market, or fieldwork.
3. Explain the steps, evidence, vocabulary, or choices needed.
4. Complete a clear response, table, drawing, plan, paragraph, performance note, or checklist.
5. Ask for feedback and improve one part.
6. Write what the improved answer now shows.

Extension: create one question another learner can answer.

Traditional Rwanda: Application Workshop 20

Application workshop 20 for Traditional Rwanda.

Grade move: build concrete foundations using simple examples and teacher-guided correction.

Use this page to make the topic useful beyond one short answer.

1. Name the exact idea, skill, value, process, source, tool, or example from this topic.
2. Connect it to a real situation in Rwanda school, home, community, environment, sport, art, market, or fieldwork.
3. Explain the steps, evidence, vocabulary, or choices needed.
4. Complete a clear response, table, drawing, plan, paragraph, performance note, or checklist.
5. Ask for feedback and improve one part.
6. Write what the improved answer now shows.

Extension: create one question another learner can answer.

Socio-economic activities in our district: Application Workshop 21

Application workshop 21 for Socio-economic activities in our district.

Grade move: build concrete foundations using simple examples and teacher-guided correction.

Use this page to make the topic useful beyond one short answer.

1. Name the exact idea, skill, value, process, source, tool, or example from this topic.
2. Connect it to a real situation in Rwanda school, home, community, environment, sport, art, market, or fieldwork.
3. Explain the steps, evidence, vocabulary, or choices needed.
4. Complete a clear response, table, drawing, plan, paragraph, performance note, or checklist.
5. Ask for feedback and improve one part.
6. Write what the improved answer now shows.

Extension: create one question another learner can answer.

Economy: Application Workshop 22

Application workshop 22 for Economy.

Grade move: build concrete foundations using simple examples and teacher-guided correction.

Use this page to make the topic useful beyond one short answer.

1. Name the exact idea, skill, value, process, source, tool, or example from this topic.
2. Connect it to a real situation in Rwanda school, home, community, environment, sport, art, market, or fieldwork.
3. Explain the steps, evidence, vocabulary, or choices needed.
4. Complete a clear response, table, drawing, plan, paragraph, performance note, or checklist.
5. Ask for feedback and improve one part.
6. Write what the improved answer now shows.

Extension: create one question another learner can answer.

Civics and Governance: Application Workshop 23

Application workshop 23 for Civics and Governance.

Grade move: build concrete foundations using simple examples and teacher-guided correction.

Use this page to make the topic useful beyond one short answer.

1. Name the exact idea, skill, value, process, source, tool, or example from this topic.
2. Connect it to a real situation in Rwanda school, home, community, environment, sport, art, market, or fieldwork.
3. Explain the steps, evidence, vocabulary, or choices needed.
4. Complete a clear response, table, drawing, plan, paragraph, performance note, or checklist.
5. Ask for feedback and improve one part.
6. Write what the improved answer now shows.

Extension: create one question another learner can answer.

Weather, Flora and Fauna: Application Workshop 24

Application workshop 24 for Weather, Flora and Fauna.

Grade move: build concrete foundations using simple examples and teacher-guided correction.

Use this page to make the topic useful beyond one short answer.

1. Name the exact idea, skill, value, process, source, tool, or example from this topic.
2. Connect it to a real situation in Rwanda school, home, community, environment, sport, art, market, or fieldwork.
3. Explain the steps, evidence, vocabulary, or choices needed.
4. Complete a clear response, table, drawing, plan, paragraph, performance note, or checklist.
5. Ask for feedback and improve one part.
6. Write what the improved answer now shows.

Extension: create one question another learner can answer.

Traditional Rwanda: Application Workshop 25

Application workshop 25 for Traditional Rwanda.

Grade move: build concrete foundations using simple examples and teacher-guided correction.

Use this page to make the topic useful beyond one short answer.

1. Name the exact idea, skill, value, process, source, tool, or example from this topic.
2. Connect it to a real situation in Rwanda school, home, community, environment, sport, art, market, or fieldwork.
3. Explain the steps, evidence, vocabulary, or choices needed.
4. Complete a clear response, table, drawing, plan, paragraph, performance note, or checklist.
5. Ask for feedback and improve one part.
6. Write what the improved answer now shows.

Extension: create one question another learner can answer.

Socio-economic activities in our district: Application Workshop 26

Application workshop 26 for Socio-economic activities in our district.

Grade move: build concrete foundations using simple examples and teacher-guided correction.

Use this page to make the topic useful beyond one short answer.

1. Name the exact idea, skill, value, process, source, tool, or example from this topic.
2. Connect it to a real situation in Rwanda school, home, community, environment, sport, art, market, or fieldwork.
3. Explain the steps, evidence, vocabulary, or choices needed.
4. Complete a clear response, table, drawing, plan, paragraph, performance note, or checklist.
5. Ask for feedback and improve one part.
6. Write what the improved answer now shows.

Extension: create one question another learner can answer.

Economy: Application Workshop 27

Application workshop 27 for Economy.

Grade move: build concrete foundations using simple examples and teacher-guided correction.

Use this page to make the topic useful beyond one short answer.

1. Name the exact idea, skill, value, process, source, tool, or example from this topic.
2. Connect it to a real situation in Rwanda school, home, community, environment, sport, art, market, or fieldwork.
3. Explain the steps, evidence, vocabulary, or choices needed.
4. Complete a clear response, table, drawing, plan, paragraph, performance note, or checklist.
5. Ask for feedback and improve one part.
6. Write what the improved answer now shows.

Extension: create one question another learner can answer.

Civics and Governance: Application Workshop 28

Application workshop 28 for Civics and Governance.

Grade move: build concrete foundations using simple examples and teacher-guided correction.

Use this page to make the topic useful beyond one short answer.

1. Name the exact idea, skill, value, process, source, tool, or example from this topic.
2. Connect it to a real situation in Rwanda school, home, community, environment, sport, art, market, or fieldwork.
3. Explain the steps, evidence, vocabulary, or choices needed.
4. Complete a clear response, table, drawing, plan, paragraph, performance note, or checklist.
5. Ask for feedback and improve one part.
6. Write what the improved answer now shows.

Extension: create one question another learner can answer.

Weather, Flora and Fauna: Application Workshop 29

Application workshop 29 for Weather, Flora and Fauna.

Grade move: build concrete foundations using simple examples and teacher-guided correction.

Use this page to make the topic useful beyond one short answer.

1. Name the exact idea, skill, value, process, source, tool, or example from this topic.
2. Connect it to a real situation in Rwanda school, home, community, environment, sport, art, market, or fieldwork.
3. Explain the steps, evidence, vocabulary, or choices needed.
4. Complete a clear response, table, drawing, plan, paragraph, performance note, or checklist.
5. Ask for feedback and improve one part.
6. Write what the improved answer now shows.

Extension: create one question another learner can answer.

Glossary

Use this glossary to revise important words in Social Studies and Religious Education.

- Socio-economic activities in our district: Explain this term using an example from the book, your school, or your community.
- Economy: Explain this term using an example from the book, your school, or your community.
- Civics and Governance: Explain this term using an example from the book, your school, or your community.
- Weather, Flora and Fauna: Explain this term using an example from the book, your school, or your community.
- Traditional Rwanda: Explain this term using an example from the book, your school, or your community.

Add five more words from your lessons and write your own meanings.

Answer And Teacher Notes

A strong Social Studies and Religious Education answer responds to the exact task, uses correct vocabulary, gives a clear example or evidence, and shows correction after feedback. For practical work, name materials, safety, process, quality checks, peer feedback, and one improvement made after review.

Final Project

Create a final project for Social Studies and Religious Education that shows what you can now do independently.

Your project must include:

1. A clear title.
2. A real-life problem, question, text, performance, investigation, design, or worked task.
3. Evidence from at least three lessons in this book.
4. A drawing, table, map, chart, model, dialogue, paragraph, performance plan, practical product, or worked solution.
5. A correction note showing one improvement after feedback.
6. A short reflection explaining what you learned, what was difficult, and what you will practise next.

Presentation check: keep the work neat, label important parts, use correct vocabulary, and be ready to explain your choices to a classmate or teacher.
