KITABU QUEST P5 Creative Art

Rwanda REB-CBC learner book

Mascot: grey crowned crane

This KITABU QUEST book turns the curriculum into short lessons, worked examples, guided activities, practice, review, and home links for Rwanda learners.

How To Use This Book

This book helps P5 learners study Creative Art one teachable topic at a time.

1. Start with the inquiry question and say what you already know.
2. Read the Learn section slowly and mark new words.
3. Try the worked example before reading the full solution.
4. Complete the activity and practice tasks.
5. Correct your answer using the success criteria.
6. Ask for support when your answer is still unclear.

Subject method: Learn through examples, activities, practice, and reflection.

Learning Skills In This Book

Each topic builds knowledge, skill, values, communication, collaboration, critical thinking, creativity, digital awareness, and self-confidence.

Study actively: speak answers aloud, draw when useful, show your working, cite evidence, use local examples, and correct mistakes after feedback.

A strong answer is specific. It names the idea, gives evidence or method, applies it to the task, and checks whether it answers the question.

Table Of Contents

Use this table to move through the book one topic at a time. Each topic has a lesson opener, clear teaching, a model or example, guided work, practice, and checks for understanding.

1. Using colour in art
2. Musical notes symbols and values
3. Pattern designs
4. Tempos and dynamics
5. Lettering typefaces
6. Sol-fa in C scale
7. Collage Art
8. Fingering on the keyboard

As you finish each topic, return to the success criteria and correct one answer before moving on.

Using colour in art: Lesson Opener

Learning focus: Using colour in art

Country link: a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Using colour in art.

Progression focus: add reasons, compare examples, and explain choices more independently.

By the end of this topic, you should be able to:

- use colour and paint different images

Inquiry questions:

- How can using colour in art help you solve a real problem in Creative Art?

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Using colour in art: Learn

Using colour in art becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Using colour in art
- Using
- colour
- idea
- skill
- example
- practice
- correction

Using colour in art: Worked Example

Evidence model for Using colour in art: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Creative Art.

Using colour in art: Vocabulary And Study Skill

Use these words and study moves before you practise Using colour in art. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Using colour in art
- Using
- colour
- idea
- skill
- example
- practice
- correction

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Using colour in art without a clear example, method, or evidence.

Using colour in art: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Using colour in art.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Using colour in art: Practice And Correction

Practice for Using colour in art:

1. Plan, practise, or perform a safe creative or movement task that shows: use colour and paint different images Learning outcomes. Explain the choices you made.

Correction check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to using colour in art and write two useful sentences about it.

Using colour in art: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Using colour in art.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Using colour in art: Outcome Check

Show that you can use colour and paint different images Learning outcomes.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Musical notes symbols and values: Lesson Opener

Learning focus: Musical notes symbols and values

Country link: a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Musical notes symbols and values.

Progression focus: add reasons, compare examples, and explain choices more independently.

By the end of this topic, you should be able to:

- identify and clap rhythmic patterns using whole, half, quarter, and eighth notes. Learning outcomes

Inquiry questions:

- How can musical notes symbols and values help you solve a real problem in Creative Art?

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Musical notes symbols and values: Learn

Musical notes symbols and values becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Musical notes symbols and values
- Musical
- notes
- symbols
- values
- idea
- skill
- example

Musical notes symbols and values: Worked Example

Evidence model for Musical notes symbols and values: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Creative Art.

Musical notes symbols and values: Vocabulary And Study Skill

Use these words and study moves before you practise Musical notes symbols and values. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Musical notes symbols and values
- Musical
- notes
- symbols
- values
- idea
- skill
- example

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Musical notes symbols and values without a clear example, method, or evidence.

Musical notes symbols and values: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Musical notes symbols and values.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Musical notes symbols and values: Practice And Correction

Practice for Musical notes symbols and values:

1. Plan, practise, or perform a safe creative or movement task that shows: identify and clap rhythmic patterns using whole, half, quarter, and eighth notes. Learning outcomes. Explain the choices you made.

Correction check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to musical notes symbols and values and write two useful sentences about it.

Musical notes symbols and values: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Musical notes symbols and values.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Musical notes symbols and values: Outcome Check

Show that you can identify and clap rhythmic patterns using whole, half, quarter, and eighth notes. Learning outcomes.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Pattern designs: Lesson Opener

Learning focus: Pattern designs

Country link: a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Pattern designs.

Progression focus: add reasons, compare examples, and explain choices more independently.

By the end of this topic, you should be able to:

- create various motif on surfaces. Learning outcomes

Inquiry questions:

- How can pattern designs help you solve a real problem in Creative Art?

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Pattern designs: Learn

Pattern designs becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Pattern designs
- Pattern
- designs
- idea
- skill
- example

Pattern designs: Worked Example

Evidence model for Pattern designs: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Creative Art.

Pattern designs: Vocabulary And Study Skill

Use these words and study moves before you practise Pattern designs. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Pattern designs
- Pattern
- designs
- idea
- skill
- example
- practice
- correction

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Pattern designs without a clear example, method, or evidence.

Pattern designs: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Pattern designs.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Pattern designs: Practice And Correction

Practice for Pattern designs:

1. Plan, practise, or perform a safe creative or movement task that shows: create various motif on surfaces. Learning outcomes. Explain the choices you made.

Correction check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to pattern designs and write two useful sentences about it.

Pattern designs: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Pattern designs.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Pattern designs: Outcome Check

Show that you can create various motif on surfaces. Learning outcomes.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Tempos and dynamics: Lesson Opener

Learning focus: Tempos and dynamics

Country link: a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Tempos and dynamics.

Progression focus: add reasons, compare examples, and explain choices more independently.

By the end of this topic, you should be able to:

- sing respecting different tempos used in songs. Learning outcomes

Inquiry questions:

- How can tempos and dynamics help you solve a real problem in Creative Art?

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Tempos and dynamics: Learn

Tempos and dynamics becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Tempos and dynamics
- Tempos
- dynamics
- idea
- skill
- example
- practice
- correction

Tempos and dynamics: Worked Example

Evidence model for Tempos and dynamics: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Creative Art.

Tempos and dynamics: Vocabulary And Study Skill

Use these words and study moves before you practise Tempos and dynamics. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Tempos and dynamics
- Tempos
- dynamics
- idea
- skill
- example
- practice
- correction

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Tempos and dynamics without a clear example, method, or evidence.

Tempos and dynamics: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Tempos and dynamics.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Tempos and dynamics: Practice And Correction

Practice for Tempos and dynamics:

1. Plan, practise, or perform a safe creative or movement task that shows: sing respecting different tempos used in songs. Learning outcomes. Explain the choices you made.

Correction check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to tempos and dynamics and write two useful sentences about it.

Tempos and dynamics: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Tempos and dynamics.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Tempos and dynamics: Outcome Check

Show that you can sing respecting different tempos used in songs. Learning outcomes.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Lettering typefaces: Lesson Opener

Learning focus: Lettering typefaces

Country link: a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Lettering typefaces.

Progression focus: add reasons, compare examples, and explain choices more independently.

By the end of this topic, you should be able to:

- identify Serif and Sans Serif typefaces pick the best style and design interesting posters using different tools of art. Learning outcomes

Inquiry questions:

- How can lettering typefaces help you solve a real problem in Creative Art?

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Lettering typefaces: Learn

Lettering typefaces becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Lettering typefaces
- Lettering
- typefaces
- idea
- skill
- example
- practice

Lettering typefaces: Worked Example

Evidence model for Lettering typefaces: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Creative Art.

Lettering typefaces: Vocabulary And Study Skill

Use these words and study moves before you practise Lettering typefaces. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Lettering typefaces
- Lettering
- typefaces
- idea
- skill
- example
- practice
- correction

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Lettering typefaces without a clear example, method, or evidence.

Lettering typefaces: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Lettering typefaces.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Lettering typefaces: Practice And Correction

Practice for Lettering typefaces:

1. Plan, practise, or perform a safe creative or movement task that shows: identify Serif and Sans Serif typefaces pick the best style and design interesting posters using different tools of art. Learning outcomes. Explain the choices you made.

Correction check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to lettering typefaces and write two useful sentences about it.

Lettering typefaces: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Lettering typefaces.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Lettering typefaces: Outcome Check

Show that you can identify Serif and Sans Serif typefaces pick the best style and design interesting posters using different tools of art. Learning outcomes.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Sol-fa in C scale: Lesson Opener

Learning focus: Sol-fa in C scale

Country link: a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Sol-fa in C scale.

Progression focus: add reasons, compare examples, and explain choices more independently.

By the end of this topic, you should be able to:

- use sol-fa notes in C scale. Learning outcomes

Inquiry questions:

- How can sol-fa in c scale help you solve a real problem in Creative Art?

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Sol-fa in C scale: Learn

Sol-fa in C scale becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Sol-fa in C scale
- Sol-fa
- scale
- idea
- skill
- example

Sol-fa in C scale: Worked Example

Evidence model for Sol-fa in C scale: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Creative Art.

Sol-fa in C scale: Vocabulary And Study Skill

Use these words and study moves before you practise Sol-fa in C scale. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Sol-fa in C scale
- Sol-fa
- scale
- idea
- skill
- example
- practice
- correction

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Sol-fa in C scale without a clear example, method, or evidence.

Sol-fa in C scale: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Sol-fa in C scale.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Sol-fa in C scale: Practice And Correction

Practice for Sol-fa in C scale:

1. Plan, practise, or perform a safe creative or movement task that shows: use sol-fa notes in C scale. Learning outcomes. Explain the choices you made.

Correction check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to sol-fa in c scale and write two useful sentences about it.

Sol-fa in C scale: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Sol-fa in C scale.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Sol-fa in C scale: Outcome Check

Show that you can use sol-fa notes in C scale. Learning outcomes.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Collage Art: Lesson Opener

Learning focus: Collage Art

Country link: a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Collage Art.

Progression focus: add reasons, compare examples, and explain choices more independently.

By the end of this topic, you should be able to:

- make collage using available resources. Learning outcomes

Inquiry questions:

- How can collage art help you solve a real problem in Creative Art?

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Collage Art: Learn

Collage Art becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Collage Art
- Collage
- idea

Collage Art: Worked Example

Evidence model for Collage Art: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Creative Art.

Collage Art: Vocabulary And Study Skill

Use these words and study moves before you practise Collage Art. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Collage Art
- Collage
- idea
- skill
- example
- practice
- correction

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Collage Art without a clear example, method, or evidence.

Collage Art: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Collage Art.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Collage Art: Practice And Correction

Practice for Collage Art:

1. Plan, practise, or perform a safe creative or movement task that shows: make collage using available resources. Learning outcomes. Explain the choices you made.

Correction check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to collage art and write two useful sentences about it.

Collage Art: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Collage Art.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Collage Art: Outcome Check

Show that you can make collage using available resources. Learning outcomes.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Fingering on the keyboard: Lesson Opener

Learning focus: Fingering on the keyboard

Country link: a safe Rwandan creative, performance, movement, craft, artwork, or teamwork activity for Fingering on the keyboard.

Progression focus: add reasons, compare examples, and explain choices more independently.

By the end of this topic, you should be able to:

- use appropriate finger numbers to play the notes in C major scale ascending and descending

Learning outcomes

Inquiry questions:

- How can fingering on the keyboard help you solve a real problem in Creative Art?

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Fingering on the keyboard: Learn

Fingering on the keyboard becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Fingering on the keyboard
- Fingering
- keyboard
- idea
- skill
- example
- practice

Fingering on the keyboard: Worked Example

Using colour in art: Plan

Practical workshop for Using colour in art: Plan.

1. Read the task and name the exact creative, craft, music, movement, design, display, or performance skill.
2. List safe materials, tools, body movement, space, or instruments needed.
3. Practise one small part slowly before doing the full work.
4. Check quality: control, neatness, rhythm, balance, expression, teamwork, care of materials, and safety.
5. Ask a partner for one kind observation and one improvement idea.
6. Improve the work and write what changed.

Reflection: What skill improved? What evidence shows improvement? What will you practise next time?

Musical notes symbols and values: Materials And Safety

Practical workshop for Musical notes symbols and values: Materials And Safety.

1. Read the task and name the exact creative, craft, music, movement, design, display, or performance skill.
2. List safe materials, tools, body movement, space, or instruments needed.
3. Practise one small part slowly before doing the full work.
4. Check quality: control, neatness, rhythm, balance, expression, teamwork, care of materials, and safety.
5. Ask a partner for one kind observation and one improvement idea.
6. Improve the work and write what changed.

Reflection: What skill improved? What evidence shows improvement? What will you practise next time?

Pattern designs: Skill Practice

Practical workshop for Pattern designs: Skill Practice.

1. Read the task and name the exact creative, craft, music, movement, design, display, or performance skill.
2. List safe materials, tools, body movement, space, or instruments needed.
3. Practise one small part slowly before doing the full work.
4. Check quality: control, neatness, rhythm, balance, expression, teamwork, care of materials, and safety.
5. Ask a partner for one kind observation and one improvement idea.
6. Improve the work and write what changed.

Reflection: What skill improved? What evidence shows improvement? What will you practise next time?

Tempos and dynamics: Create Or Perform

Practical workshop for Tempos and dynamics: Create Or Perform.

1. Read the task and name the exact creative, craft, music, movement, design, display, or performance skill.
2. List safe materials, tools, body movement, space, or instruments needed.
3. Practise one small part slowly before doing the full work.
4. Check quality: control, neatness, rhythm, balance, expression, teamwork, care of materials, and safety.
5. Ask a partner for one kind observation and one improvement idea.
6. Improve the work and write what changed.

Reflection: What skill improved? What evidence shows improvement? What will you practise next time?

Lettering typefaces: Peer Feedback

Practical workshop for Lettering typefaces: Peer Feedback.

1. Read the task and name the exact creative, craft, music, movement, design, display, or performance skill.
2. List safe materials, tools, body movement, space, or instruments needed.
3. Practise one small part slowly before doing the full work.
4. Check quality: control, neatness, rhythm, balance, expression, teamwork, care of materials, and safety.
5. Ask a partner for one kind observation and one improvement idea.
6. Improve the work and write what changed.

Reflection: What skill improved? What evidence shows improvement? What will you practise next time?

Sol-fa in C scale: Improve And Reflect

Practical workshop for Sol-fa in C scale: Improve And Reflect.

1. Read the task and name the exact creative, craft, music, movement, design, display, or performance skill.
2. List safe materials, tools, body movement, space, or instruments needed.
3. Practise one small part slowly before doing the full work.
4. Check quality: control, neatness, rhythm, balance, expression, teamwork, care of materials, and safety.
5. Ask a partner for one kind observation and one improvement idea.
6. Improve the work and write what changed.

Reflection: What skill improved? What evidence shows improvement? What will you practise next time?

Collage Art: Plan

Practical workshop for Collage Art: Plan.

1. Read the task and name the exact creative, craft, music, movement, design, display, or performance skill.
2. List safe materials, tools, body movement, space, or instruments needed.
3. Practise one small part slowly before doing the full work.
4. Check quality: control, neatness, rhythm, balance, expression, teamwork, care of materials, and safety.
5. Ask a partner for one kind observation and one improvement idea.
6. Improve the work and write what changed.

Reflection: What skill improved? What evidence shows improvement? What will you practise next time?

Fingering on the keyboard: Materials And Safety

Practical workshop for Fingering on the keyboard: Materials And Safety.

1. Read the task and name the exact creative, craft, music, movement, design, display, or performance skill.
2. List safe materials, tools, body movement, space, or instruments needed.
3. Practise one small part slowly before doing the full work.
4. Check quality: control, neatness, rhythm, balance, expression, teamwork, care of materials, and safety.
5. Ask a partner for one kind observation and one improvement idea.
6. Improve the work and write what changed.

Lettering typefaces: Plan

Practical workshop for Lettering typefaces: Plan.

1. Read the task and name the exact creative, craft, music, movement, design, display, or performance skill.
2. List safe materials, tools, body movement, space, or instruments needed.
3. Practise one small part slowly before doing the full work.
4. Check quality: control, neatness, rhythm, balance, expression, teamwork, care of materials, and safety.
5. Ask a partner for one kind observation and one improvement idea.
6. Improve the work and write what changed.

Reflection: What skill improved? What evidence shows improvement? What will you practise next time?

Using colour in art: Review Clinic 1

Use this review clinic to strengthen Creative Art without copying earlier answers.

1. Choose one idea from Using colour in art that was difficult.
2. Explain the idea in your own words.
3. Make one new example from Rwanda.
4. Create one question that checks knowledge.
5. Create one question that checks skill or application.
6. Answer both questions and correct your work.

Challenge: Turn the idea into a drawing, table, map, dialogue, model, demonstration, or worked solution.

Musical notes symbols and values: Review Clinic 2

Use this review clinic to strengthen Creative Art without copying earlier answers.

1. Choose one idea from Musical notes symbols and values that was difficult.
2. Explain the idea in your own words.
3. Make one new example from Rwanda.
4. Create one question that checks knowledge.
5. Create one question that checks skill or application.
6. Answer both questions and correct your work.

Challenge: Turn the idea into a drawing, table, map, dialogue, model, demonstration, or worked solution.

Pattern designs: Review Clinic 3

Use this review clinic to strengthen Creative Art without copying earlier answers.

1. Choose one idea from Pattern designs that was difficult.
2. Explain the idea in your own words.
3. Make one new example from Rwanda.
4. Create one question that checks knowledge.
5. Create one question that checks skill or application.
6. Answer both questions and correct your work.

Challenge: Turn the idea into a drawing, table, map, dialogue, model, demonstration, or worked solution.

Tempos and dynamics: Review Clinic 4

Use this review clinic to strengthen Creative Art without copying earlier answers.

1. Choose one idea from Tempos and dynamics that was difficult.
2. Explain the idea in your own words.
3. Make one new example from Rwanda.
4. Create one question that checks knowledge.
5. Create one question that checks skill or application.
6. Answer both questions and correct your work.

Challenge: Turn the idea into a drawing, table, map, dialogue, model, demonstration, or worked solution.

Glossary

Use this glossary to revise important words in Creative Art.

- Using colour in art: Explain this term using an example from the book, your school, or your community.
- Musical notes symbols and values: Explain this term using an example from the book, your school, or your community.
- Pattern designs: Explain this term using an example from the book, your school, or your community.
- Tempos and dynamics: Explain this term using an example from the book, your school, or your community.
- Lettering typefaces: Explain this term using an example from the book, your school, or your community.
- Sol-fa in C scale: Explain this term using an example from the book, your school, or your community.
- Collage Art: Explain this term using an example from the book, your school, or your community.
- Fingering on the keyboard: Explain this term using an example from the book, your school, or your community.

Add five more words from your lessons and write your own meanings.

Answer And Teacher Notes

A strong Creative Art answer responds to the exact task, uses correct vocabulary, gives a clear example or evidence, and shows correction after feedback. For practical work, name materials, safety, process, quality checks, peer feedback, and one improvement made after review.

Final Project

Create a final project for Creative Art that shows what you can now do independently.

Your project must include:

1. A clear title.
2. A real-life problem, question, text, performance, investigation, design, or worked task.
3. Evidence from at least three lessons in this book.
4. A drawing, table, map, chart, model, dialogue, paragraph, performance plan, practical product, or worked solution.
5. A correction note showing one improvement after feedback.
6. A short reflection explaining what you learned, what was difficult, and what you will practise next.

Presentation check: keep the work neat, label important parts, use correct vocabulary, and be ready to explain your choices to a classmate or teacher.
