KITABU QUEST P5 Social Studies and Religious Education

Rwanda REB-CBC learner book

Mascot: mountain gorilla

This KITABU QUEST book turns the curriculum into short lessons, worked examples, guided activities, practice, review, and home links for Rwanda learners.

How To Use This Book

This book helps P5 learners study Social Studies and Religious Education one teachable topic at a time.

1. Start with the inquiry question and say what you already know.
2. Read the Learn section slowly and mark new words.
3. Try the worked example before reading the full solution.
4. Complete the activity and practice tasks.
5. Correct your answer using the success criteria.
6. Ask for support when your answer is still unclear.

Subject method: Use community examples, maps, values, sources, and respectful discussion.

Learning Skills In This Book

Each topic builds knowledge, skill, values, communication, collaboration, critical thinking, creativity, digital awareness, and self-confidence.

Study actively: speak answers aloud, draw when useful, show your working, cite evidence, use local examples, and correct mistakes after feedback.

A strong answer is specific. It names the idea, gives evidence or method, applies it to the task, and checks whether it answers the question.

Table Of Contents

Use this table to move through the book one topic at a time. Each topic has a lesson opener, clear teaching, a model or example, guided work, practice, and checks for understanding.

1. Our province and its location in Rwanda
2. Economy
3. Environment and climate in our province
4. Social services and important places in our district
5. Population
6. Colonial Rwanda
7. Notion of the Bible and the Qur'an
8. Acts of charity in the community and faith

As you finish each topic, return to the success criteria and correct one answer before moving on.

Our province and its location in Rwanda: Lesson Opener

Learning focus: Our province and its location in Rwanda

Country link: a Rwandan map, community, citizenship, culture, environment, or heritage example for Our province and its location in Rwanda.

Progression focus: add reasons, compare examples, and explain choices more independently.

By the end of this topic, you should be able to:

- describe his/her province
- identify the neighbouring provinces of his/ her province
- describe the location of his/her province
- draw a map of his/ her province
- explain the elements of a good map
- develop the culture of using a map to locate places

Inquiry questions:

- How can our province and its location in Rwanda help you solve a real problem in Social Studies and Religious Education?

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Our province and its location in Rwanda: Learn

Our province and its location in Rwanda becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Our province and its location in Rwanda
- province
- location
- Rwanda
- idea
- skill
- example
- practice

Our province and its location in Rwanda: Worked Example

Evidence model for Our province and its location in Rwanda: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Social Studies and Religious Education.

Our province and its location in Rwanda: Vocabulary And Study Skill

Use these words and study moves before you practise Our province and its location in Rwanda. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Our province and its location in Rwanda
- province
- location
- Rwanda
- idea
- skill
- example
- practice

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Our province and its location in Rwanda without a clear example, method, or evidence.

Our province and its location in Rwanda: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a Rwandan map, community, citizenship, culture, environment, or heritage example for Our province and its location in Rwanda.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Our province and its location in Rwanda: Practice And Correction

Practice for Our province and its location in Rwanda:

1. Use an example from your community or country to explain: describe his/her province.
2. Use an example from your community or country to explain: identify the neighbouring provinces of his/ her province.
3. Use an example from your community or country to explain: describe the location of his/her province.
4. Use an example from your community or country to explain: draw a map of his/ her province.

Correction check:

- answer uses a real example
- reasoning is clear
- work is checked

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to our province and its location in Rwanda and write two useful sentences about it.

Our province and its location in Rwanda: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Our province and its location in Rwanda.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- answer uses a real example
- reasoning is clear
- work is checked

Our province and its location in Rwanda: Outcome Check

Show that you can describe his/her province.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Our province and its location in Rwanda: Outcome Check

Show that you can identify the neighbouring provinces of his/ her province.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Economy: Lesson Opener

Learning focus: Economy

Country link: a Rwandan map, community, citizenship, culture, environment, or heritage example for Economy.

Progression focus: add reasons, compare examples, and explain choices more independently.

By the end of this topic, you should be able to:

- make a simple family budget and develop culture of resource management
- define budget and family budget
- identify priorities in family budget
- explain how to manage family resources. Find out how the resources help people to meet their needs. Demonstrate the importance of financial institutions and local markets
- use resources properly to meet their needs
- acknowledge the importance of making a simple family budget

Inquiry questions:

- How can economy help you solve a real problem in Social Studies and Religious Education?

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Economy: Learn

Economy becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Economy
- idea
- skill
- example
- practice
- correction

Economy: Worked Example

Evidence model for Economy: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Social Studies and Religious Education.

Economy: Vocabulary And Study Skill

Use these words and study moves before you practise Economy. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Economy
- idea
- skill
- example
- practice
- correction

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Economy without a clear example, method, or evidence.

Economy: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a Rwandan map, community, citizenship, culture, environment, or heritage example for Economy.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Economy: Practice And Correction

Practice for Economy:

1. Use an example from your community or country to explain: make a simple family budget and develop culture of resource management.
2. Use an example from your community or country to explain: define budget and family budget.
3. Use an example from your community or country to explain: identify priorities in family budget.
4. Use an example from your community or country to explain: explain how to manage family resources. Find out how the resources help people to meet their needs. Demonstrate the importance of financial institutions and local markets.

Correction check:

- answer uses a real example
- reasoning is clear
- work is checked

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to economy and write two useful sentences about it.

Economy: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Economy.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- answer uses a real example
- reasoning is clear
- work is checked

Economy: Outcome Check

Show that you can make a simple family budget and develop culture of resource management.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Economy: Outcome Check

Show that you can define budget and family budget.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Environment and climate in our province: Lesson Opener

Learning focus: Environment and climate in our province

Country link: a Rwandan map, community, citizenship, culture, environment, or heritage example for Environment and climate in our province.

Progression focus: add reasons, compare examples, and explain choices more independently.

By the end of this topic, you should be able to:

- analyse environmental components and climate in our province and their importance
- identify different environmental components in our province
- identify ways of preserving natural and man-made -
- differentiate between natural and man-made environment
- analyse the importance of environmental components
- analyse the importance of natural and man-made environment

Inquiry questions:

- How can environment and climate in our province help you solve a real problem in Social Studies and Religious Education?

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Environment and climate in our province: Learn

Environment and climate in our province becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Environment and climate in our province
- Environment
- climate
- province
- idea
- skill
- example
- practice

Environment and climate in our province: Worked Example

Evidence model for Environment and climate in our province: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Social Studies and Religious Education.

Environment and climate in our province: Vocabulary And Study Skill

Use these words and study moves before you practise Environment and climate in our province. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Environment and climate in our province
- Environment
- climate
- province
- idea

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Environment and climate in our province without a clear example, method, or evidence.

Environment and climate in our province: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a Rwandan map, community, citizenship, culture, environment, or heritage example for Environment and climate in our province.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Environment and climate in our province: Practice And Correction

Practice for Environment and climate in our province:

1. Use an example from your community or country to explain: analyse environmental components and climate in our province and their importance.
2. Use an example from your community or country to explain: identify different environmental components in our province.
3. Use an example from your community or country to explain: identify ways of preserving natural and man-made -.
4. Use an example from your community or country to explain: differentiate between natural and man-made environment.

Correction check:

- answer uses a real example
- reasoning is clear
- work is checked

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to environment and climate in our province and write two useful sentences about it.

Environment and climate in our province: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Environment and climate in our province.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- answer uses a real example
- reasoning is clear
- work is checked

Environment and climate in our province: Outcome Check

Show that you can analyse environmental components and climate in our province and their importance.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Environment and climate in our province: Outcome Check

Show that you can identify different environmental components in our province.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Social services and important places in our district: Lesson Opener

Learning focus: Social services and important places in our district

Country link: a Rwandan map, community, citizenship, culture, environment, or heritage example for Social services and important places in our district.

Progression focus: add reasons, compare examples, and explain choices more independently.

By the end of this topic, you should be able to:

- explain the importance of public places and assets in the district and how to preserve them
- identify important places in our district
- mention the problems facing important places in our district
- identify main public assets in our district
- describe important places in our district
- find out ways of preserving important places

Inquiry questions:

- How can social services and important places in our district help you solve a real problem in Social Studies and Religious Education?

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Social services and important places in our district: Learn

Social services and important places in our district becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Social services and important places in our district
- Social
- services
- important
- places
- district
- idea
- skill

Social services and important places in our district: Worked Example

Evidence model for Social services and important places in our district: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Social Studies and Religious Education.

Social services and important places in our district: Vocabulary And Study Skill

Use these words and study moves before you practise Social services and important places in our district. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Social services and important places in our district
- Social
- services
- important
- places
- district
- idea
- skill

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Social services and important places in our district without a clear example, method, or evidence.

Social services and important places in our district: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a Rwandan map, community, citizenship, culture, environment, or heritage example for Social services and important places in our district.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Social services and important places in our district: Practice And Correction

Practice for Social services and important places in our district:

1. Use an example from your community or country to explain: explain the importance of public places and assets in the district and how to preserve them.
2. Use an example from your community or country to explain: identify important places in our district.
3. Use an example from your community or country to explain: mention the problems facing important places in our district.
4. Use an example from your community or country to explain: identify main public assets in our district.

Correction check:

- answer uses a real example
- reasoning is clear
- work is checked

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to social services and important places in our district and write two useful sentences about it.

Social services and important places in our district: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Social services and important places in our district.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- answer uses a real example
- reasoning is clear
- work is checked

Social services and important places in our district: Outcome Check

Show that you can explain the importance of public places and assets in the district and how to preserve them.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Social services and important places in our district: Outcome Check

Show that you can identify important places in our district.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Population: Lesson Opener

Learning focus: Population

Country link: a Rwandan map, community, citizenship, culture, environment, or heritage example for Population.

Progression focus: add reasons, compare examples, and explain choices more independently.

By the end of this topic, you should be able to:

- analyse consequences of over population and ways to control population growth
- define Population, , dense population, sparse population, optimum population, population distribution, Overpopulation,
- explain and apply population in a real learning situation
- explain factors that influence population distribution
- analyse problems associated with overpopulation and ways of controlling population growth
- appreciate the importance of controlling population growth

Inquiry questions:

- How can population help you solve a real problem in Social Studies and Religious Education?

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Population: Learn

Population becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Population
- idea
- skill
- example
- practice
- correction

Population: Worked Example

Evidence model for Population: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Social Studies and Religious Education.

Population: Vocabulary And Study Skill

Use these words and study moves before you practise Population. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Population
- idea
- skill
- example
- practice
- correction

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Population without a clear example, method, or evidence.

Population: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a Rwandan map, community, citizenship, culture, environment, or heritage example for Population.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Population: Practice And Correction

Practice for Population:

1. Use an example from your community or country to explain: analyse consequences of over population and ways to control population growth.
2. Use an example from your community or country to explain: define Population, , dense population, sparse population, optimum population, population distribution, Overpopulation,.
3. Use an example from your community or country to explain: explain and apply population in a real learning situation.
4. Use an example from your community or country to explain: explain factors that influence population distribution.

Correction check:

- answer uses a real example
- reasoning is clear
- work is checked

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to population and write two useful sentences about it.

Population: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Population.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- answer uses a real example
- reasoning is clear
- work is checked

Population: Outcome Check

Show that you can analyse consequences of over population and ways to control population growth.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Population: Outcome Check

Show that you can define Population, , dense population, sparse population, optimum population, population distribution, Overpopulation,.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Colonial Rwanda: Lesson Opener

Learning focus: Colonial Rwanda

Country link: a Rwandan map, community, citizenship, culture, environment, or heritage example for Colonial Rwanda.

Progression focus: add reasons, compare examples, and explain choices more independently.

By the end of this topic, you should be able to:

- analyse important events of colonial Rwanda
- identify different groups of foreigners who came to Rwanda
- state European countries that colonised Rwanda
- state the causes of colonialism
- identify the reasons for the disintegration of Rwanda Kingdom during the colonial period

Inquiry questions:

- How can colonial Rwanda help you solve a real problem in Social Studies and Religious Education?

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Colonial Rwanda: Learn

Colonial Rwanda becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Colonial Rwanda
- Colonial
- Rwanda
- idea
- skill
- example
- practice
- correction

Colonial Rwanda: Worked Example

Evidence model for Colonial Rwanda: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Social Studies and Religious Education.

Colonial Rwanda: Vocabulary And Study Skill

Use these words and study moves before you practise Colonial Rwanda. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Colonial Rwanda
- Colonial
- Rwanda
- idea
- skill
- example
- practice
- correction

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Colonial Rwanda without a clear example, method, or evidence.

Colonial Rwanda: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a Rwandan map, community, citizenship, culture, environment, or heritage example for Colonial Rwanda.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Colonial Rwanda: Practice And Correction

Practice for Colonial Rwanda:

1. Use an example from your community or country to explain: analyse important events of colonial Rwanda.
2. Use an example from your community or country to explain: identify different groups of foreigners who came to Rwanda.
3. Use an example from your community or country to explain: state European countries that colonised Rwanda.
4. Use an example from your community or country to explain: state the causes of colonialism.

Correction check:

- answer uses a real example
- reasoning is clear
- work is checked

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to colonial Rwanda and write two useful sentences about it.

Colonial Rwanda: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Colonial Rwanda.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- answer uses a real example
- reasoning is clear
- work is checked

Colonial Rwanda: Outcome Check

Show that you can analyse important events of colonial Rwanda.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Colonial Rwanda: Outcome Check

Show that you can identify different groups of foreigners who came to Rwanda.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Notion of the Bible and the Qur'an: Lesson Opener

Learning focus: Notion of the Bible and the Qur'an

Country link: a Rwandan map, community, citizenship, culture, environment, or heritage example for Notion of the Bible and the Qur'an.

Progression focus: add reasons, compare examples, and explain choices more independently.

By the end of this topic, you should be able to:

- a compare the structure of the Bible and the Qur'an
- define the Bible and the Qur'an
- state the author of the Bible and the Qur'an
- identify major themes in the Bible and Qur'an
- describe the structure of the Bible and the Qur'an
- explain the importance of the Bible and the Qur'an in the spiritual life of believers

Inquiry questions:

- How can notion of the bible and the qur'an help you solve a real problem in Social Studies and Religious Education?

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Notion of the Bible and the Qur'an: Learn

Notion of the Bible and the Qur'an becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Notion of the Bible and the Qur'an
- Notion
- Bible
- Qur'an
- idea
- skill
- example
- practice

Notion of the Bible and the Qur'an: Worked Example

Evidence model for Notion of the Bible and the Qur'an: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Social Studies and Religious Education.

Notion of the Bible and the Qur'an: Vocabulary And Study Skill

Use these words and study moves before you practise Notion of the Bible and the Qur'an. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Notion of the Bible and the Qur'an
- Notion
- Bible
- Qur'an
- idea
- skill
- example
- practice

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Notion of the Bible and the Qur'an without a clear example, method, or evidence.

Notion of the Bible and the Qur'an: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a Rwandan map, community, citizenship, culture, environment, or heritage example for Notion of the Bible and the Qur'an.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Notion of the Bible and the Qur'an: Practice And Correction

Practice for Notion of the Bible and the Qur'an:

1. Use an example from your community or country to explain: a compare the structure of the Bible and the Qur'an.
2. Use an example from your community or country to explain: define the Bible and the Qur'an.
3. Use an example from your community or country to explain: state the author of the Bible and the Qur'an.
4. Use an example from your community or country to explain: identify major themes in the Bible and Qur'an.

Correction check:

- answer uses a real example
- reasoning is clear
- work is checked

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to notion of the bible and the qur'an and write two useful sentences about it.

Notion of the Bible and the Qur'an: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Notion of the Bible and the Qur'an.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- answer uses a real example
- reasoning is clear
- work is checked

Notion of the Bible and the Qur'an: Outcome Check

Show that you can compare the structure of the Bible and the Qur'an.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Notion of the Bible and the Qur'an: Outcome Check

Show that you can define the Bible and the Qur'an.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Acts of charity in the community and faith: Lesson Opener

Learning focus: Acts of charity in the community and faith

Country link: a Rwandan map, community, citizenship, culture, environment, or heritage example for Acts of charity in the community and faith.

Progression focus: add reasons, compare examples, and explain choices more independently.

By the end of this topic, you should be able to:

- a perform acts of charity in line with his/her belief
- define faith and charity
- state Christian and Islamic teachings on faith and charity
- identify different acts of charity in the community
- describe the characteristics of faith
- explain the relationship between acts of charity and faith

Inquiry questions:

- How can acts of charity in the community and faith help you solve a real problem in Social Studies and Religious Education?

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Acts of charity in the community and faith: Learn

Acts of charity in the community and faith becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.

Our province and its location in Rwanda: Review Clinic 1

Use this review clinic to strengthen Social Studies and Religious Education without copying earlier answers.

1. Choose one idea from Our province and its location in Rwanda that was difficult.
2. Explain the idea in your own words.
3. Make one new example from Rwanda.
4. Create one question that checks knowledge.
5. Create one question that checks skill or application.
6. Answer both questions and correct your work.

Challenge: Turn the idea into a drawing, table, map, dialogue, model, demonstration, or worked solution.

Economy: Review Clinic 2

Use this review clinic to strengthen Social Studies and Religious Education without copying earlier answers.

1. Choose one idea from Economy that was difficult.
2. Explain the idea in your own words.
3. Make one new example from Rwanda.
4. Create one question that checks knowledge.
5. Create one question that checks skill or application.
6. Answer both questions and correct your work.

Challenge: Turn the idea into a drawing, table, map, dialogue, model, demonstration, or worked solution.

Environment and climate in our province: Review Clinic 3

Use this review clinic to strengthen Social Studies and Religious Education without copying earlier answers.

1. Choose one idea from Environment and climate in our province that was difficult.
2. Explain the idea in your own words.
3. Make one new example from Rwanda.
4. Create one question that checks knowledge.
5. Create one question that checks skill or application.
6. Answer both questions and correct your work.

Challenge: Turn the idea into a drawing, table, map, dialogue, model, demonstration, or worked solution.

Social services and important places in our district: Review Clinic 4

Use this review clinic to strengthen Social Studies and Religious Education without copying earlier answers.

1. Choose one idea from Social services and important places in our district that was difficult.
2. Explain the idea in your own words.
3. Make one new example from Rwanda.
4. Create one question that checks knowledge.
5. Create one question that checks skill or application.
6. Answer both questions and correct your work.

Challenge: Turn the idea into a drawing, table, map, dialogue, model, demonstration, or worked solution.

Our province and its location in Rwanda: Application Workshop 1

Application workshop 1 for Our province and its location in Rwanda.

Grade move: add reasons, compare examples, and explain choices more independently.

Use this page to make the topic useful beyond one short answer.

1. Name the exact idea, skill, value, process, source, tool, or example from this topic.
2. Connect it to a real situation in Rwanda school, home, community, environment, sport, art, market, or fieldwork.
3. Explain the steps, evidence, vocabulary, or choices needed.
4. Complete a clear response, table, drawing, plan, paragraph, performance note, or checklist.
5. Ask for feedback and improve one part.
6. Write what the improved answer now shows.

Extension: create one question another learner can answer.

Economy: Application Workshop 2

Application workshop 2 for Economy.

Grade move: add reasons, compare examples, and explain choices more independently.

Use this page to make the topic useful beyond one short answer.

1. Name the exact idea, skill, value, process, source, tool, or example from this topic.
2. Connect it to a real situation in Rwanda school, home, community, environment, sport, art, market, or fieldwork.
3. Explain the steps, evidence, vocabulary, or choices needed.
4. Complete a clear response, table, drawing, plan, paragraph, performance note, or checklist.
5. Ask for feedback and improve one part.
6. Write what the improved answer now shows.

Extension: create one question another learner can answer.

Glossary

Use this glossary to revise important words in Social Studies and Religious Education.

- Our province and its location in Rwanda: Explain this term using an example from the book, your school, or your community.
- Economy: Explain this term using an example from the book, your school, or your community.
- Environment and climate in our province: Explain this term using an example from the book, your school, or your community.
- Social services and important places in our district: Explain this term using an example from the book, your school, or your community.
- Population: Explain this term using an example from the book, your school, or your community.
- Colonial Rwanda: Explain this term using an example from the book, your school, or your community.
- Notion of the Bible and the Qur'an: Explain this term using an example from the book, your school, or your community.
- Acts of charity in the community and faith: Explain this term using an example from the book, your school, or your community.

Add five more words from your lessons and write your own meanings.

Answer And Teacher Notes

A strong Social Studies and Religious Education answer responds to the exact task, uses correct vocabulary, gives a clear example or evidence, and shows correction after feedback. For practical work, name materials, safety, process, quality checks, peer feedback, and one improvement made after review.

Final Project

Create a final project for Social Studies and Religious Education that shows what you can now do independently.

Your project must include:

1. A clear title.
2. A real-life problem, question, text, performance, investigation, design, or worked task.
3. Evidence from at least three lessons in this book.
4. A drawing, table, map, chart, model, dialogue, paragraph, performance plan, practical product, or worked solution.
5. A correction note showing one improvement after feedback.
6. A short reflection explaining what you learned, what was difficult, and what you will practise next.

Presentation check: keep the work neat, label important parts, use correct vocabulary, and be ready to explain your choices to a classmate or teacher.
