KITABU QUEST S6 General Studies and Communication Skills

Rwanda REB-CBC learner book

Mascot: hare

This KITABU QUEST book turns the curriculum into short lessons, worked examples, guided activities, practice, review, and home links for Rwanda learners.

How To Use This Book

This book helps S6 learners study General Studies and Communication Skills one teachable topic at a time.

1. Start with the inquiry question and say what you already know.
2. Read the Learn section slowly and mark new words.
3. Try the worked example before reading the full solution.
4. Complete the activity and practice tasks.
5. Correct your answer using the success criteria.
6. Ask for support when your answer is still unclear.

Subject method: Learn through examples, activities, practice, and reflection.

Learning Skills In This Book

Each topic builds knowledge, skill, values, communication, collaboration, critical thinking, creativity, digital awareness, and self-confidence.

Study actively: speak answers aloud, draw when useful, show your working, cite evidence, use local examples, and correct mistakes after feedback.

A strong answer is specific. It names the idea, gives evidence or method, applies it to the task, and checks whether it answers the question.

Table Of Contents

Use this table to move through the book one topic at a time. Each topic has a lesson opener, clear teaching, a model or example, guided work, practice, and checks for understanding.

1. Genocide
2. Democracy and Good Governance
3. National Service and Self-Reliance
4. Pluralism in the World
5. Communication, International Relations and Cooperation
6. How to manage money
7. Transport/ Employment/Unemployment and its Impact on the Economy
8. International Financial Institutions , Cooperation and Development
9. Financial scams
10. Environmentally friendly farming for sustainable food production
11. Uses and Application of Mathematics in Daily Life
12. Global Media Rights and Responsibilities

As you finish each topic, return to the success criteria and correct one answer before moving on.

Genocide: Lesson Opener

Learning focus: Genocide

Country link: a Rwanda school, home, or community example for Genocide.

By the end of this topic, you should be able to:

- analyse the causes and consequences of Genocide with a special emphasis on the Genocide against the Tutsi and devise ways of reconstructing Rwandan society as well as preventing Genocide from happening again

Inquiry questions:

- How can genocide help you solve a real problem in General Studies and Communication Skills?

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Genocide: Learn

Genocide becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Genocide
- idea
- skill
- example
- practice
- correction

Genocide: Worked Example

Evidence model for Genocide: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from General Studies and Communication Skills.

Genocide: Vocabulary And Study Skill

Use these words and study moves before you practise Genocide. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Genocide
- idea
- skill
- example
- practice
- correction

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Genocide without a clear example, method, or evidence.

Genocide: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a Rwanda school, home, or community example for Genocide.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Genocide: Practice And Correction

Practice for Genocide:

1. Use a Rwanda case study for Genocide: analyse the causes and consequences of Genocide with a special emphasis on the Genocide against the Tutsi and devise ways of reconstructing Rwandan society as well as preventing Genocide from happening again. Name the issue, stakeholders, evidence, responsible action, and reflection.

Correction check:

- answer uses a real example
- reasoning is clear
- work is checked

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to genocide and write two useful sentences about it.

Genocide: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Genocide.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- answer uses a real example
- reasoning is clear
- work is checked

Genocide: Outcome Check

Show that you can analyse the causes and consequences of Genocide with a special emphasis on the Genocide against the Tutsi and devise ways of reconstructing Rwandan society as well as preventing Genocide from happening again.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Democracy and Good Governance: Lesson Opener

Learning focus: Democracy and Good Governance

Country link: a Rwanda school, home, or community example for Democracy and Good Governance.

By the end of this topic, you should be able to:

- analyse and appreciate the role of democracy in enhancing good governance
- in promoting individual citizenship
- in promoting individual citizenship

Inquiry questions:

- How can democracy and good governance help you solve a real problem in General Studies and Communication Skills?

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Democracy and Good Governance: Learn

Democracy and Good Governance becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Democracy and Good Governance
- Democracy
- Good
- Governance
- idea
- skill
- example
- practice

Democracy and Good Governance: Worked Example

Evidence model for Democracy and Good Governance: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from General Studies and Communication Skills.

Democracy and Good Governance: Vocabulary And Study Skill

Use these words and study moves before you practise Democracy and Good Governance. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Democracy and Good Governance
- Democracy
- Good
- Governance
- idea
- skill
- example
- practice

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Democracy and Good Governance without a clear example, method, or evidence.

Democracy and Good Governance: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a Rwanda school, home, or community example for Democracy and Good Governance.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Democracy and Good Governance: Practice And Correction

Practice for Democracy and Good Governance:

1. Use a Rwanda case study for Democracy and Good Governance: analyse and appreciate the role of democracy in enhancing good governance. Name the issue, stakeholders, evidence, responsible action, and reflection.
2. Use a Rwanda case study for Democracy and Good Governance: in promoting individual citizenship. Name the issue, stakeholders, evidence, responsible action, and reflection.
3. Use a Rwanda case study for Democracy and Good Governance: in promoting individual citizenship. Name the issue, stakeholders, evidence, responsible action, and reflection.

Correction check:

- answer uses a real example
- reasoning is clear
- work is checked

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to democracy and good governance and write two useful sentences about it.

Democracy and Good Governance: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Democracy and Good Governance.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- answer uses a real example
- reasoning is clear
- work is checked

Democracy and Good Governance: Outcome Check

Show that you can analyse and appreciate the role of democracy in enhancing good governance.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Democracy and Good Governance: Outcome Check

Show that you can in promoting individual citizenship.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

National Service and Self-Reliance: Lesson Opener

Learning focus: National Service and Self-Reliance

Country link: a Rwanda school, home, or community example for National Service and Self-Reliance.

By the end of this topic, you should be able to:

- analyse and appreciate the importance of national service and self-reliance in development
- the concepts of national service and self-reliance

Inquiry questions:

- How can national service and self-reliance help you solve a real problem in General Studies and Communication Skills?

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

National Service and Self-Reliance: Learn

National Service and Self-Reliance becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- National Service and Self-Reliance
- National
- Service
- Self-Reliance
- idea
- skill
- example
- practice

National Service and Self-Reliance: Worked Example

Evidence model for National Service and Self-Reliance: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from General Studies and Communication Skills.

National Service and Self-Reliance: Vocabulary And Study Skill

Use these words and study moves before you practise National Service and Self-Reliance. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- National Service and Self-Reliance
- National
- Service
- Self-Reliance
- idea
- skill

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about National Service and Self-Reliance without a clear example, method, or evidence.

National Service and Self-Reliance: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a Rwanda school, home, or community example for National Service and Self-Reliance.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

National Service and Self-Reliance: Practice And Correction

Practice for National Service and Self-Reliance:

1. Use a Rwanda case study for National Service and Self-Reliance: analyse and appreciate the importance of national service and self-reliance in development. Name the issue, stakeholders, evidence, responsible action, and reflection.
2. Use a Rwanda case study for National Service and Self-Reliance: the concepts of national service and self-reliance. Name the issue, stakeholders, evidence, responsible action, and reflection.

Correction check:

- answer uses a real example
- reasoning is clear
- work is checked

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to national service and self-reliance and write two useful sentences about it.

National Service and Self-Reliance: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from National Service and Self-Reliance.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- answer uses a real example
- reasoning is clear
- work is checked

National Service and Self-Reliance: Outcome Check

Show that you can analyse and appreciate the importance of national service and self-reliance in development.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

National Service and Self-Reliance: Outcome Check

Show that you can the concepts of national service and self-reliance.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Pluralism in the World: Lesson Opener

Learning focus: Pluralism in the World

Country link: a Rwanda school, home, or community example for Pluralism in the World.

By the end of this topic, you should be able to:

- analyse and appreciate the role of pluralism in fostering development in the world
- natural pluralism: racial, cultural, etc
- the role of pluralism in promoting development

Inquiry questions:

- How can pluralism in the world help you solve a real problem in General Studies and Communication Skills?

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Pluralism in the World: Learn

Pluralism in the World becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Pluralism in the World
- Pluralism
- World
- idea
- skill
- example
- practice
- correction

Pluralism in the World: Worked Example

Evidence model for Pluralism in the World: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from General Studies and Communication Skills.

Pluralism in the World: Vocabulary And Study Skill

Use these words and study moves before you practise Pluralism in the World. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Pluralism in the World
- Pluralism
- World
- idea
- skill
- example
- practice
- correction

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Pluralism in the World without a clear example, method, or evidence.

Pluralism in the World: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a Rwanda school, home, or community example for Pluralism in the World.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Pluralism in the World: Practice And Correction

Practice for Pluralism in the World:

1. Use a Rwanda case study for Pluralism in the World: analyse and appreciate the role of pluralism in fostering development in the world. Name the issue, stakeholders, evidence, responsible action, and reflection.
2. Use a Rwanda case study for Pluralism in the World: natural pluralism: racial, cultural, etc. Name the issue, stakeholders, evidence, responsible action, and reflection.
3. Use a Rwanda case study for Pluralism in the World: the role of pluralism in promoting development. Name the issue, stakeholders, evidence, responsible action, and reflection.

Correction check:

- answer uses a real example
- reasoning is clear
- work is checked

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to pluralism in the world and write two useful sentences about it.

Pluralism in the World: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Pluralism in the World.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- answer uses a real example
- reasoning is clear
- work is checked

Pluralism in the World: Outcome Check

Show that you can analyse and appreciate the role of pluralism in fostering development in the world.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Pluralism in the World: Outcome Check

Show that you can natural pluralisme: racial, cultural, etc.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Communication, International Relations and Cooperation: Lesson Opener

Learning focus: Communication, International Relations and Cooperation

Country link: a Rwanda school, home, or community example for Communication, International Relations and Cooperation.

By the end of this topic, you should be able to:

- analyse and appreciate the power of communication with special emphasis on speech and its impact on international relations and cooperation

Inquiry questions:

- How can communication, international relations and cooperation help you solve a real problem in General Studies and Communication Skills?

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Communication, International Relations and Cooperation: Learn

Communication, International Relations and Cooperation becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Communication, International Relations and Cooperation
- Communication
- International
- Relations
- Cooperation
- idea
- skill
- example

Communication, International Relations and Cooperation: Worked Example

Evidence model for Communication, International Relations and Cooperation: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from General Studies and Communication Skills.

Communication, International Relations and Cooperation: Vocabulary And Study Skill

Use these words and study moves before you practise Communication, International Relations and Cooperation. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Communication, International Relations and Cooperation
- Communication
- International
- Relations
- Cooperation
- idea
- skill
- example

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Communication, International Relations and Cooperation without a clear example, method, or evidence.

Communication, International Relations and Cooperation: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a Rwanda school, home, or community example for Communication, International Relations and Cooperation.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Communication, International Relations and Cooperation: Practice And Correction

Practice for Communication, International Relations and Cooperation:

1. Use a Rwanda case study for Communication, International Relations and Cooperation: analyse and appreciate the power of communication with special emphasis on speech and its impact on international relations and cooperation. Name the issue, stakeholders, evidence, responsible action, and reflection.

Correction check:

- answer uses a real example
- reasoning is clear
- work is checked

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to communication, international relations and cooperation and write two useful sentences about it.

Communication, International Relations and Cooperation: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Communication, International Relations and Cooperation.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- answer uses a real example
- reasoning is clear
- work is checked

Communication, International Relations and Cooperation: Outcome Check

Show that you can analyse and appreciate the power of communication with special emphasis on speech and its impact on international relations and cooperation.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

How to manage money: Lesson Opener

Learning focus: How to manage money

Country link: a Rwanda school, home, or community example for How to manage money.

By the end of this topic, you should be able to:

- manage money as an individual, family and member of society

Inquiry questions:

- How can how to manage money help you solve a real problem in General Studies and Communication Skills?

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

How to manage money: Learn

How to manage money becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- How to manage money
- manage
- money
- idea
- skill
- example
- practice

How to manage money: Worked Example

Evidence model for How to manage money: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from General Studies and Communication Skills.

How to manage money: Vocabulary And Study Skill

Use these words and study moves before you practise How to manage money. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- How to manage money
- manage
- money
- idea
- skill
- example
- practice
- correction

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about How to manage money without a clear example, method, or evidence.

How to manage money: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a Rwanda school, home, or community example for How to manage money.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

How to manage money: Practice And Correction

Practice for How to manage money:

1. Use a Rwanda case study for How to manage money: manage money as an individual, family and member of society. Name the issue, stakeholders, evidence, responsible action, and reflection.

Correction check:

- answer uses a real example
- reasoning is clear
- work is checked

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to how to manage money and write two useful sentences about it.

How to manage money: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from How to manage money.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- answer uses a real example
- reasoning is clear
- work is checked

How to manage money: Outcome Check

Show that you can manage money as an individual, family and member of society.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Transport/ Employment/Unemployment and its Impact on the Economy: Lesson Opener

Learning focus: Transport/ Employment/Unemployment and its Impact on the Economy

Country link: a Rwanda school, home, or community example for Transport/ Employment/Unemployment and its Impact on the Economy.

By the end of this topic, you should be able to:

- analyse the contribution of transport and employment to the economic development

Inquiry questions:

- How can transport/ employment/unemployment and its impact on the economy help you solve a real problem in General Studies and Communication Skills?

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Transport/ Employment/Unemployment and its Impact on the Economy: Learn

Transport/ Employment/Unemployment and its Impact on the Economy becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Transport/ Employment/Unemployment and its Impact on the Economy
- Transport
- Employment/Unemployment
- Impact
- Economy
- idea

Transport/ Employment/Unemployment and its Impact on the Economy: Worked Example

Evidence model for Transport/ Employment/Unemployment and its Impact on the Economy: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from General Studies and Communication Skills.

Transport/ Employment/Unemployment and its Impact on the Economy: Vocabulary And Study Skill

Use these words and study moves before you practise Transport/ Employment/Unemployment and its Impact on the Economy. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Transport/ Employment/Unemployment and its Impact on the Economy
- Transport
- Employment/Unemployment
- Impact
- Economy
- idea
- skill
- example

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Transport/ Employment/Unemployment and its Impact on the Economy without a clear example, method, or evidence.

Transport/ Employment/Unemployment and its Impact on the Economy: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a Rwanda school, home, or community example for Transport/ Employment/Unemployment and its Impact on the Economy.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Uses and Application of Mathematics in Daily Life: Lesson Opener

Learning focus: Uses and Application of Mathematics in Daily Life

Country link: a Rwanda school, home, or community example for Uses and Application of Mathematics in Daily Life.

By the end of this topic, you should be able to:

- analyse the uses and application of mathematics in daily life
- what places of human activities (e.g. home, school, work, market, sport field, etc.) mathematics is or is not required

Inquiry questions:

- How can uses and application of mathematics in daily life help you solve a real problem in General Studies and Communication Skills?

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Uses and Application of Mathematics in Daily Life: Learn

Uses and Application of Mathematics in Daily Life becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Uses and Application of Mathematics in Daily Life
- Uses
- Application
- Mathematics
- Daily
- Life
- idea
- skill

Uses and Application of Mathematics in Daily Life: Worked Example

Evidence model for Uses and Application of Mathematics in Daily Life: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from General Studies and Communication Skills.

Uses and Application of Mathematics in Daily Life: Vocabulary And Study Skill

Use these words and study moves before you practise Uses and Application of Mathematics in Daily Life. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Uses and Application of Mathematics in Daily Life
- Uses
- Application
- Mathematics
- Daily
- Life
- idea
- skill

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Uses and Application of Mathematics in Daily Life without a clear example, method, or evidence.

Uses and Application of Mathematics in Daily Life: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a Rwanda school, home, or community example for Uses and Application of Mathematics in Daily Life.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Uses and Application of Mathematics in Daily Life: Practice And Correction

Practice for Uses and Application of Mathematics in Daily Life:

1. Use a Rwanda case study for Uses and Application of Mathematics in Daily Life: analyse the uses and application of mathematics in daily life. Name the issue, stakeholders, evidence, responsible action, and reflection.
2. Use a Rwanda case study for Uses and Application of Mathematics in Daily Life: what places of human activities (e.g. home, school, work, market, sport field, etc.) mathematics is or is not required. Name the issue, stakeholders, evidence, responsible action, and reflection.

Correction check:

- answer uses a real example

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Uses and Application of Mathematics in Daily Life.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- answer uses a real example
- reasoning is clear
- work is checked

Uses and Application of Mathematics in Daily Life: Outcome Check

Show that you can analyse the uses and application of mathematics in daily life.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Uses and Application of Mathematics in Daily Life: Outcome Check

Show that you can what places of human activities (e.g. home, school, work, market, sport field, etc.) mathematics is or is not required.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Global Media Rights and Responsibilities: Lesson Opener

Learning focus: Global Media Rights and Responsibilities

Country link: a Rwanda school, home, or community example for Global Media Rights and Responsibilities.

By the end of this topic, you should be able to:

- to be able analyse the responsibilities of the media

Inquiry questions:

- How can global media rights and responsibilities help you solve a real problem in General Studies and Communication Skills?

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Global Media Rights and Responsibilities: Learn

Global Media Rights and Responsibilities becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Global Media Rights and Responsibilities
- Global
- Media
- Rights
- Responsibilities
- idea
- skill
- example

Global Media Rights and Responsibilities: Worked Example

Evidence model for Global Media Rights and Responsibilities: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from General Studies and Communication Skills.

Global Media Rights and Responsibilities: Vocabulary And Study Skill

Use these words and study moves before you practise Global Media Rights and Responsibilities. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Global Media Rights and Responsibilities
- Global
- Media
- Rights
- Responsibilities
- idea
- skill
- example

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Global Media Rights and Responsibilities without a clear example, method, or evidence.

Global Media Rights and Responsibilities: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a Rwanda school, home, or community example for Global Media Rights and Responsibilities.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Global Media Rights and Responsibilities: Practice And Correction

Practice for Global Media Rights and Responsibilities:

1. Use a Rwanda case study for Global Media Rights and Responsibilities: to be able analyse the responsibilities of the media. Name the issue, stakeholders, evidence, responsible action, and reflection.

Correction check:

- answer uses a real example
- reasoning is clear
- work is checked

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Global Media Rights and Responsibilities: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Global Media Rights and Responsibilities.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- answer uses a real example
- reasoning is clear
- work is checked

Global Media Rights and Responsibilities: Outcome Check

Show that you can to be able analyse the responsibilities of the media.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Relationships between tourism and culture: Lesson Opener

Learning focus: Relationships between tourism and culture

Country link: a Rwanda school, home, or community example for Relationships between tourism and culture.

By the end of this topic, you should be able to:

- analyse the relationship between tourism and culture

Inquiry questions:

- How can relationships between tourism and culture help you solve a real problem in General Studies and Communication Skills?

Success criteria:

- answer uses a real example
- reasoning is clear
- work is checked

Relationships between tourism and culture: Learn

Relationships between tourism and culture becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Rwanda.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Relationships between tourism and culture
- Relationships
- between
- tourism
- culture
- idea
- skill
- example

Relationships between tourism and culture: Worked Example

Evidence model for Relationships between tourism and culture: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Rwanda.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from General Studies and Communication Skills.

Relationships between tourism and culture: Vocabulary And Study Skill

Use these words and study moves before you practise Relationships between tourism and culture. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Relationships between tourism and culture
- Relationships
- between
- tourism
- culture
- idea
- skill
- example

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Rwanda.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Relationships between tourism and culture without a clear example, method, or evidence.

Relationships between tourism and culture: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a Rwanda school, home, or community example for Relationships between tourism and culture.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.

Genocide: Review Clinic 1

Use this review clinic to strengthen General Studies and Communication Skills without copying earlier answers.

1. Choose one idea from Genocide that was difficult.
2. Explain the idea in your own words.
3. Make one new example from Rwanda.
4. Create one question that checks knowledge.
5. Create one question that checks skill or application.
6. Answer both questions and correct your work.

Challenge: Turn the idea into a drawing, table, map, dialogue, model, demonstration, or worked solution.

Democracy and Good Governance: Review Clinic 2

Use this review clinic to strengthen General Studies and Communication Skills without copying earlier answers.

1. Choose one idea from Democracy and Good Governance that was difficult.
2. Explain the idea in your own words.
3. Make one new example from Rwanda.
4. Create one question that checks knowledge.
5. Create one question that checks skill or application.
6. Answer both questions and correct your work.

Challenge: Turn the idea into a drawing, table, map, dialogue, model, demonstration, or worked solution.

National Service and Self-Reliance: Review Clinic 3

Use this review clinic to strengthen General Studies and Communication Skills without copying earlier answers.

1. Choose one idea from National Service and Self-Reliance that was difficult.
2. Explain the idea in your own words.
3. Make one new example from Rwanda.
4. Create one question that checks knowledge.
5. Create one question that checks skill or application.
6. Answer both questions and correct your work.

Challenge: Turn the idea into a drawing, table, map, dialogue, model, demonstration, or worked solution.

Pluralism in the World: Review Clinic 4

Use this review clinic to strengthen General Studies and Communication Skills without copying earlier answers.

1. Choose one idea from Pluralism in the World that was difficult.
2. Explain the idea in your own words.
3. Make one new example from Rwanda.
4. Create one question that checks knowledge.
5. Create one question that checks skill or application.
6. Answer both questions and correct your work.

Challenge: Turn the idea into a drawing, table, map, dialogue, model, demonstration, or worked solution.

Glossary

Use this glossary to revise important words in General Studies and Communication Skills.

- Genocide: Explain this term using an example from the book, your school, or your community.
- Democracy and Good Governance: Explain this term using an example from the book, your school, or your community.

Add five more words from your lessons and write your own meanings.

Answer And Teacher Notes

A strong General Studies and Communication Skills answer responds to the exact task, uses correct vocabulary, gives a clear example or evidence, and shows correction after feedback. For practical work, name materials, safety, process, quality checks, peer feedback, and one improvement made after review.

Final Project

Create a final project for General Studies and Communication Skills that shows what you can now do independently.

Your project must include:

1. A clear title.
2. A real-life problem, question, text, performance, investigation, design, or worked task.
3. Evidence from at least three lessons in this book.
4. A drawing, table, map, chart, model, dialogue, paragraph, performance plan, practical product, or worked solution.
5. A correction note showing one improvement after feedback.
6. A short reflection explaining what you learned, what was difficult, and what you will practise next.

Presentation check: keep the work neat, label important parts, use correct vocabulary, and be ready to explain your choices to a classmate or teacher.
