KITABU QUEST Standard V Sanaa na Michezo

Tanzania TIE-BASIC learner book

Mascot: zebra

This KITABU QUEST book turns the curriculum into short lessons, worked examples, guided activities, practice, review, and home links for Tanzania learners.

How To Use This Book

This book helps Standard V learners study Sanaa na Michezo one teachable topic at a time.

1. Start with the inquiry question and say what you already know.
2. Read the Learn section slowly and mark new words.
3. Try the worked example before reading the full solution.
4. Complete the activity and practice tasks.
5. Correct your answer using the success criteria.
6. Ask for support when your answer is still unclear.

Subject method: Learn through examples, activities, practice, and reflection.

Learning Skills In This Book

Each topic builds knowledge, skill, values, communication, collaboration, critical thinking, creativity, digital awareness, and self-confidence.

Study actively: speak answers aloud, draw when useful, show your working, cite evidence, use local examples, and correct mistakes after feedback.

A strong answer is specific. It names the idea, gives evidence or method, applies it to the task, and checks whether it answers the question.

Table Of Contents

Use this table to move through the book one topic at a time. Each topic has a lesson opener, clear teaching, a model or example, guided work, practice, and checks for understanding.

1. Design Elements And Composition
2. Traditional Songs Dances And Instruments
3. Drama Dialogue And Performance
4. Craft Construction And Decoration
5. Athletics Games And Body Control
6. Team Rules Safety And Respect
7. Review Practice And Improvement
8. Creative Performance Project

As you finish each topic, return to the success criteria and correct one answer before moving on.

Design Elements And Composition: Lesson Opener

Learning focus: Design Elements And Composition

Country link: a safe Tanzania creative, performance, movement, craft, artwork, or teamwork activity for Design Elements And Composition.

Progression focus: add reasons, compare examples, and explain choices more independently.

By the end of this topic, you should be able to:

- plan, practise, perform, or create work related to design elements and composition

Inquiry questions:

- How can design elements and composition help you solve a real problem?

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Design Elements And Composition: Learn

Design Elements And Composition becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Tanzania.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Design Elements And Composition
- Design
- Elements
- Composition
- idea
- skill
- example
- practice

Design Elements And Composition: Worked Example

Evidence model for Design Elements And Composition: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Tanzania.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Sanaa na Michezo.

Design Elements And Composition: Vocabulary And Study Skill

Use these words and study moves before you practise Design Elements And Composition. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Design Elements And Composition
- Design
- Elements
- Composition
- idea
- skill
- example
- practice

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Tanzania.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Design Elements And Composition without a clear example, method, or evidence.

Design Elements And Composition: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a safe Tanzania creative, performance, movement, craft, artwork, or teamwork activity for Design Elements And Composition.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Design Elements And Composition: Practice And Correction

Practice for Design Elements And Composition:

1. Plan, practise, or perform a safe creative or movement task that shows: plan, practise, perform, or create work related to design elements and composition. Explain the choices you made.

Correction check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to design elements and composition and write two useful sentences about it.

Design Elements And Composition: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Design Elements And Composition.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Design Elements And Composition: Outcome Check

Show that you can plan, practise, perform, or create work related to design elements and composition.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Traditional Songs Dances And Instruments: Lesson Opener

Learning focus: Traditional Songs Dances And Instruments

Country link: a safe Tanzania creative, performance, movement, craft, artwork, or teamwork activity for Traditional Songs Dances And Instruments.

Progression focus: add reasons, compare examples, and explain choices more independently.

By the end of this topic, you should be able to:

- plan, practise, perform, or create work related to traditional songs dances and instruments

Inquiry questions:

- How can traditional songs dances and instruments help you solve a real problem?

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Traditional Songs Dances And Instruments: Learn

Traditional Songs Dances And Instruments becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Tanzania.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Traditional Songs Dances And Instruments
- Traditional
- Songs
- Dances
- Instruments
- idea
- skill
- example

Traditional Songs Dances And Instruments: Worked Example

Evidence model for Traditional Songs Dances And Instruments: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Tanzania.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Sanaa na Michezo.

Traditional Songs Dances And Instruments: Vocabulary And Study Skill

Use these words and study moves before you practise Traditional Songs Dances And Instruments. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Traditional Songs Dances And Instruments
- Traditional
- Songs
- Dances
- Instruments
- idea
- skill
- example

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Tanzania.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Traditional Songs Dances And Instruments without a clear example, method, or evidence.

Traditional Songs Dances And Instruments: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a safe Tanzania creative, performance, movement, craft, artwork, or teamwork activity for Traditional Songs Dances And Instruments.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Traditional Songs Dances And Instruments: Practice And Correction

Practice for Traditional Songs Dances And Instruments:

1. Plan, practise, or perform a safe creative or movement task that shows: plan, practise, perform, or create work related to traditional songs dances and instruments. Explain the choices you made.

Correction check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to traditional songs dances and instruments and write two useful sentences about it.

Traditional Songs Dances And Instruments: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Traditional Songs Dances And Instruments.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Traditional Songs Dances And Instruments: Outcome Check

Show that you can plan, practise, perform, or create work related to traditional songs dances and instruments.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Drama Dialogue And Performance: Lesson Opener

Learning focus: Drama Dialogue And Performance

Country link: a safe Tanzania creative, performance, movement, craft, artwork, or teamwork activity for Drama Dialogue And Performance.

Progression focus: add reasons, compare examples, and explain choices more independently.

By the end of this topic, you should be able to:

- plan, practise, perform, or create work related to drama dialogue and performance

Inquiry questions:

- How can drama dialogue and performance help you solve a real problem?

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Drama Dialogue And Performance: Learn

Drama Dialogue And Performance becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Tanzania.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Drama Dialogue And Performance
- Drama
- Dialogue
- Performance
- idea
- skill
- example
- practice

Drama Dialogue And Performance: Worked Example

Evidence model for Drama Dialogue And Performance: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Tanzania.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Sanaa na Michezo.

Drama Dialogue And Performance: Vocabulary And Study Skill

Use these words and study moves before you practise Drama Dialogue And Performance. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Drama Dialogue And Performance
- Drama
- Dialogue
- Performance
- idea
- skill
- example
- practice

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Tanzania.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Drama Dialogue And Performance without a clear example, method, or evidence.

Drama Dialogue And Performance: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a safe Tanzania creative, performance, movement, craft, artwork, or teamwork activity for Drama Dialogue And Performance.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Drama Dialogue And Performance: Practice And Correction

Practice for Drama Dialogue And Performance:

1. Plan, practise, or perform a safe creative or movement task that shows: plan, practise, perform, or create work related to drama dialogue and performance. Explain the choices you made.

Correction check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to drama dialogue and performance and write two useful sentences about it.

Drama Dialogue And Performance: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Drama Dialogue And Performance.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Drama Dialogue And Performance: Outcome Check

Show that you can plan, practise, perform, or create work related to drama dialogue and performance.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Craft Construction And Decoration: Lesson Opener

Learning focus: Craft Construction And Decoration

Country link: a safe Tanzania creative, performance, movement, craft, artwork, or teamwork activity for Craft Construction And Decoration.

Progression focus: add reasons, compare examples, and explain choices more independently.

By the end of this topic, you should be able to:

- plan, practise, perform, or create work related to craft construction and decoration

Inquiry questions:

- How can craft construction and decoration help you solve a real problem?

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Craft Construction And Decoration: Learn

Craft Construction And Decoration becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Tanzania.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Craft Construction And Decoration
- Craft
- Construction
- Decoration
- idea
- skill
- example
- practice

Craft Construction And Decoration: Worked Example

Evidence model for Craft Construction And Decoration: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Tanzania.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Sanaa na Michezo.

Craft Construction And Decoration: Vocabulary And Study Skill

Use these words and study moves before you practise Craft Construction And Decoration. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Craft Construction And Decoration
- Craft
- Construction
- Decoration
- idea
- skill
- example
- practice

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Tanzania.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Craft Construction And Decoration without a clear example, method, or evidence.

Craft Construction And Decoration: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a safe Tanzania creative, performance, movement, craft, artwork, or teamwork activity for Craft Construction And Decoration.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Craft Construction And Decoration: Practice And Correction

Practice for Craft Construction And Decoration:

1. Plan, practise, or perform a safe creative or movement task that shows: plan, practise, perform, or create work related to craft construction and decoration. Explain the choices you made.

Correction check:

- idea is planned

4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Craft Construction And Decoration: Outcome Check

Show that you can plan, practise, perform, or create work related to craft construction and decoration.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Athletics Games And Body Control: Lesson Opener

Learning focus: Athletics Games And Body Control

Country link: a safe Tanzania creative, performance, movement, craft, artwork, or teamwork activity for Athletics Games And Body Control.

Progression focus: add reasons, compare examples, and explain choices more independently.

By the end of this topic, you should be able to:

- plan, practise, perform, or create work related to athletics games and body control

Inquiry questions:

- How can athletics games and body control help you solve a real problem?

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Athletics Games And Body Control: Learn

Athletics Games And Body Control becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Tanzania.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Athletics Games And Body Control
- Athletics
- Games
- Body
- Control
- idea
- skill
- example

Athletics Games And Body Control: Worked Example

Evidence model for Athletics Games And Body Control: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Tanzania.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Sanaa na Michezo.

Athletics Games And Body Control: Vocabulary And Study Skill

Use these words and study moves before you practise Athletics Games And Body Control. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Athletics Games And Body Control
- Athletics
- Games
- Body
- Control
- idea
- skill
- example

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Tanzania.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Athletics Games And Body Control without a clear example, method, or evidence.

Athletics Games And Body Control: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a safe Tanzania creative, performance, movement, craft, artwork, or teamwork activity for Athletics Games And Body Control.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.

5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Athletics Games And Body Control: Practice And Correction

Practice for Athletics Games And Body Control:

1. Plan, practise, or perform a safe creative or movement task that shows: plan, practise, perform, or create work related to athletics games and body control. Explain the choices you made.

Correction check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to athletics games and body control and write two useful sentences about it.

Athletics Games And Body Control: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Athletics Games And Body Control.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Athletics Games And Body Control: Outcome Check

Show that you can plan, practise, perform, or create work related to athletics games and body control.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Team Rules Safety And Respect: Lesson Opener

Learning focus: Team Rules Safety And Respect

Country link: a safe Tanzania creative, performance, movement, craft, artwork, or teamwork activity for Team Rules Safety And Respect.

Progression focus: add reasons, compare examples, and explain choices more independently.

By the end of this topic, you should be able to:

- plan, practise, perform, or create work related to team rules safety and respect

Inquiry questions:

- How can team rules safety and respect help you solve a real problem?

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Team Rules Safety And Respect: Learn

Team Rules Safety And Respect becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Tanzania.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Team Rules Safety And Respect
- Team
- Rules
- Safety
- Respect
- idea
- skill
- example

Team Rules Safety And Respect: Worked Example

Evidence model for Team Rules Safety And Respect: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Tanzania.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Sanaa na Michezo.

Team Rules Safety And Respect: Vocabulary And Study Skill

Use these words and study moves before you practise Team Rules Safety And Respect. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Team Rules Safety And Respect
- Team
- Rules
- Safety
- Respect

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Tanzania.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Team Rules Safety And Respect without a clear example, method, or evidence.

Team Rules Safety And Respect: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a safe Tanzania creative, performance, movement, craft, artwork, or teamwork activity for Team Rules Safety And Respect.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Team Rules Safety And Respect: Practice And Correction

Practice for Team Rules Safety And Respect:

1. Plan, practise, or perform a safe creative or movement task that shows: plan, practise, perform, or create work related to team rules safety and respect. Explain the choices you made.

Correction check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to team rules safety and respect and write two useful sentences about it.

Team Rules Safety And Respect: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Team Rules Safety And Respect.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Team Rules Safety And Respect: Outcome Check

Show that you can plan, practise, perform, or create work related to team rules safety and respect.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Review Practice And Improvement: Lesson Opener

Learning focus: Review Practice And Improvement

Country link: a safe Tanzania creative, performance, movement, craft, artwork, or teamwork activity for Review Practice And Improvement.

Progression focus: add reasons, compare examples, and explain choices more independently.

By the end of this topic, you should be able to:

- plan, practise, perform, or create work related to review practice and improvement

Inquiry questions:

- How can review practice and improvement help you solve a real problem?

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Review Practice And Improvement: Learn

Review Practice And Improvement becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Tanzania.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Review Practice And Improvement
- Review
- Practice
- Improvement
- idea
- skill
- example
- practice

Review Practice And Improvement: Worked Example

Evidence model for Review Practice And Improvement: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Tanzania.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Sanaa na Michezo.

Review Practice And Improvement: Vocabulary And Study Skill

Use these words and study moves before you practise Review Practice And Improvement. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Review Practice And Improvement
- Review
- Practice
- Improvement
- idea
- skill
- example

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Tanzania.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Review Practice And Improvement without a clear example, method, or evidence.

Review Practice And Improvement: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a safe Tanzania creative, performance, movement, craft, artwork, or teamwork activity for Review Practice And Improvement.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Review Practice And Improvement: Practice And Correction

Practice for Review Practice And Improvement:

1. Plan, practise, or perform a safe creative or movement task that shows: plan, practise, perform, or create work related to review practice and improvement. Explain the choices you made.

Correction check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to review practice and improvement and write two useful sentences about it.

Review Practice And Improvement: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Review Practice And Improvement.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Review Practice And Improvement: Outcome Check

Show that you can plan, practise, perform, or create work related to review practice and improvement.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Creative Performance Project: Lesson Opener

Learning focus: Creative Performance Project

Country link: a safe Tanzania creative, performance, movement, craft, artwork, or teamwork activity for Creative Performance Project.

Progression focus: add reasons, compare examples, and explain choices more independently.

By the end of this topic, you should be able to:

- plan, practise, perform, or create work related to creative performance project

Inquiry questions:

- How can creative performance project help you solve a real problem?

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Creative Performance Project: Learn

Creative Performance Project becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Tanzania.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Creative Performance Project
- Creative
- Performance
- Project
- idea
- skill
- example
- practice

Answer And Teacher Notes

A strong Sanaa na Michezo answer responds to the exact task, uses correct vocabulary, gives a clear example or evidence, and shows correction after feedback. For practical work, name materials, safety, process, quality checks, peer feedback, and one improvement made after review.

Final Project

Create a final project for Sanaa na Michezo that shows what you can now do independently.

Your project must include:

1. A clear title.
2. A real-life problem, question, text, performance, investigation, design, or worked task.
3. Evidence from at least three lessons in this book.
4. A drawing, table, map, chart, model, dialogue, paragraph, performance plan, practical product, or worked solution.
5. A correction note showing one improvement after feedback.
6. A short reflection explaining what you learned, what was difficult, and what you will practise next.

Presentation check: keep the work neat, label important parts, use correct vocabulary, and be ready to explain your choices to a classmate or teacher.
