KITABU QUEST Standard VI Sanaa na Michezo

Tanzania TIE-BASIC learner book

Mascot: zebra

This KITABU QUEST book turns the curriculum into short lessons, worked examples, guided activities, practice, review, and home links for Tanzania learners.

How To Use This Book

This book helps Standard VI learners study Sanaa na Michezo one teachable topic at a time.

1. Start with the inquiry question and say what you already know.
2. Read the Learn section slowly and mark new words.
3. Try the worked example before reading the full solution.
4. Complete the activity and practice tasks.
5. Correct your answer using the success criteria.
6. Ask for support when your answer is still unclear.

Subject method: Learn through examples, activities, practice, and reflection.

Learning Skills In This Book

Each topic builds knowledge, skill, values, communication, collaboration, critical thinking, creativity, digital awareness, and self-confidence.

Study actively: speak answers aloud, draw when useful, show your working, cite evidence, use local examples, and correct mistakes after feedback.

A strong answer is specific. It names the idea, gives evidence or method, applies it to the task, and checks whether it answers the question.

Table Of Contents

Use this table to move through the book one topic at a time. Each topic has a lesson opener, clear teaching, a model or example, guided work, practice, and checks for understanding.

1. Art Design And Visual Communication
2. Music Dance And Cultural Expression
3. Drama Script And Stage Skills
4. Craft Technology And Product Quality
5. Sports Skills Fitness And Strategy
6. Leadership Safety And Inclusion
7. Portfolio Review And Feedback
8. Upper Primary Creative Project

As you finish each topic, return to the success criteria and correct one answer before moving on.

Art Design And Visual Communication: Lesson Opener

Learning focus: Art Design And Visual Communication

Country link: a safe Tanzania creative, performance, movement, craft, artwork, or teamwork activity for Art Design And Visual Communication.

Progression focus: prepare for upper-primary transition by using evidence, accuracy, and reflection.

By the end of this topic, you should be able to:

- plan, practise, perform, or create work related to art design and visual communication

Inquiry questions:

- How can art design and visual communication help you solve a real problem?

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Art Design And Visual Communication: Learn

Art Design And Visual Communication becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Tanzania.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Art Design And Visual Communication
- Design
- Visual
- Communication
- idea
- skill
- example
- practice

Art Design And Visual Communication: Worked Example

Evidence model for Art Design And Visual Communication: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Tanzania.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Sanaa na Michezo.

Art Design And Visual Communication: Vocabulary And Study Skill

Use these words and study moves before you practise Art Design And Visual Communication. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Art Design And Visual Communication
- Design
- Visual
- Communication
- idea
- skill
- example
- practice

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Tanzania.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Art Design And Visual Communication without a clear example, method, or evidence.

Art Design And Visual Communication: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a safe Tanzania creative, performance, movement, craft, artwork, or teamwork activity for Art Design And Visual Communication.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Art Design And Visual Communication: Practice And Correction

Practice for Art Design And Visual Communication:

1. Plan, practise, or perform a safe creative or movement task that shows: plan, practise, perform, or create work related to art design and visual communication. Explain the choices you made.

Correction check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to art design and visual communication and write two useful sentences about it.

Art Design And Visual Communication: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Art Design And Visual Communication.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Art Design And Visual Communication: Outcome Check

Show that you can plan, practise, perform, or create work related to art design and visual communication.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Music Dance And Cultural Expression: Lesson Opener

Learning focus: Music Dance And Cultural Expression

Country link: a safe Tanzania creative, performance, movement, craft, artwork, or teamwork activity for Music Dance And Cultural Expression.

Progression focus: prepare for upper-primary transition by using evidence, accuracy, and reflection.

By the end of this topic, you should be able to:

- plan, practise, perform, or create work related to music dance and cultural expression

Inquiry questions:

- How can music dance and cultural expression help you solve a real problem?

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Music Dance And Cultural Expression: Learn

Music Dance And Cultural Expression becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Tanzania.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Music Dance And Cultural Expression
- Music
- Dance
- Cultural
- Expression
- idea
- skill
- example

Music Dance And Cultural Expression: Worked Example

Evidence model for Music Dance And Cultural Expression: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Tanzania.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Sanaa na Michezo.

Music Dance And Cultural Expression: Vocabulary And Study Skill

Use these words and study moves before you practise Music Dance And Cultural Expression. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Music Dance And Cultural Expression
- Music
- Dance
- Cultural
- Expression
- idea
- skill
- example

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Tanzania.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Music Dance And Cultural Expression without a clear example, method, or evidence.

Music Dance And Cultural Expression: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a safe Tanzania creative, performance, movement, craft, artwork, or teamwork activity for Music Dance And Cultural Expression.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Music Dance And Cultural Expression: Practice And Correction

Practice for Music Dance And Cultural Expression:

1. Plan, practise, or perform a safe creative or movement task that shows: plan, practise, perform, or create work related to music dance and cultural expression. Explain the choices you made.

Correction check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to music dance and cultural expression and write two useful sentences about it.

Music Dance And Cultural Expression: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Music Dance And Cultural Expression.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Music Dance And Cultural Expression: Outcome Check

Show that you can plan, practise, perform, or create work related to music dance and cultural expression.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Drama Script And Stage Skills: Lesson Opener

Learning focus: Drama Script And Stage Skills

Country link: a safe Tanzania creative, performance, movement, craft, artwork, or teamwork activity for Drama Script And Stage Skills.

Progression focus: prepare for upper-primary transition by using evidence, accuracy, and reflection.

By the end of this topic, you should be able to:

- plan, practise, perform, or create work related to drama script and stage skills

Inquiry questions:

- How can drama script and stage skills help you solve a real problem?

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Drama Script And Stage Skills: Learn

Drama Script And Stage Skills becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Tanzania.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Drama Script And Stage Skills
- Drama
- Script
- Stage
- Skills
- idea

Drama Script And Stage Skills: Worked Example

Evidence model for Drama Script And Stage Skills: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Tanzania.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Sanaa na Michezo.

Drama Script And Stage Skills: Vocabulary And Study Skill

Use these words and study moves before you practise Drama Script And Stage Skills. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Drama Script And Stage Skills
- Drama
- Script
- Stage
- Skills
- idea
- skill
- example

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Tanzania.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Drama Script And Stage Skills without a clear example, method, or evidence.

Drama Script And Stage Skills: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a safe Tanzania creative, performance, movement, craft, artwork, or teamwork activity for Drama Script And Stage Skills.

4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Craft Technology And Product Quality: Lesson Opener

Learning focus: Craft Technology And Product Quality

Country link: a safe Tanzania creative, performance, movement, craft, artwork, or teamwork activity for Craft Technology And Product Quality.

Progression focus: prepare for upper-primary transition by using evidence, accuracy, and reflection.

By the end of this topic, you should be able to:

- plan, practise, perform, or create work related to craft technology and product quality

Inquiry questions:

- How can craft technology and product quality help you solve a real problem?

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Craft Technology And Product Quality: Learn

Craft Technology And Product Quality becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Tanzania.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Craft Technology And Product Quality
- Craft
- Technology
- Product
- Quality
- idea
- skill
- example

Craft Technology And Product Quality: Worked Example

Evidence model for Craft Technology And Product Quality: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Tanzania.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Sanaa na Michezo.

Craft Technology And Product Quality: Vocabulary And Study Skill

Use these words and study moves before you practise Craft Technology And Product Quality. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Craft Technology And Product Quality
- Craft
- Technology
- Product
- Quality
- idea
- skill
- example

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Tanzania.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Craft Technology And Product Quality without a clear example, method, or evidence.

Craft Technology And Product Quality: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a safe Tanzania creative, performance, movement, craft, artwork, or teamwork activity for Craft Technology And Product Quality.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Craft Technology And Product Quality: Practice And Correction

Practice for Craft Technology And Product Quality:

1. Plan, practise, or perform a safe creative or movement task that shows: plan, practise, perform, or create work related to craft technology and product quality. Explain the choices you made.

Correction check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to craft technology and product quality and write two useful sentences about it.

Craft Technology And Product Quality: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Craft Technology And Product Quality.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- idea is planned
- skill is practised safely

Craft Technology And Product Quality: Outcome Check

Show that you can plan, practise, perform, or create work related to craft technology and product quality.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Sports Skills Fitness And Strategy: Lesson Opener

Learning focus: Sports Skills Fitness And Strategy

Country link: a safe Tanzania creative, performance, movement, craft, artwork, or teamwork activity for Sports Skills Fitness And Strategy.

Progression focus: prepare for upper-primary transition by using evidence, accuracy, and reflection.

By the end of this topic, you should be able to:

- plan, practise, perform, or create work related to sports skills fitness and strategy

Inquiry questions:

- How can sports skills fitness and strategy help you solve a real problem?

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Sports Skills Fitness And Strategy: Learn

Sports Skills Fitness And Strategy becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Tanzania.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Sports Skills Fitness And Strategy
- Sports
- Skills
- Fitness
- Strategy
- idea

Sports Skills Fitness And Strategy: Worked Example

Evidence model for Sports Skills Fitness And Strategy: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Tanzania.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Sanaa na Michezo.

Sports Skills Fitness And Strategy: Vocabulary And Study Skill

Use these words and study moves before you practise Sports Skills Fitness And Strategy. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Sports Skills Fitness And Strategy
- Sports
- Skills
- Fitness
- Strategy
- idea
- skill
- example

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Tanzania.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Sports Skills Fitness And Strategy without a clear example, method, or evidence.

Sports Skills Fitness And Strategy: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a safe Tanzania creative, performance, movement, craft, artwork, or teamwork activity for Sports Skills Fitness And Strategy.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Portfolio Review And Feedback: Lesson Opener

Learning focus: Portfolio Review And Feedback

Country link: a safe Tanzania creative, performance, movement, craft, artwork, or teamwork activity for Portfolio Review And Feedback.

Progression focus: prepare for upper-primary transition by using evidence, accuracy, and reflection.

By the end of this topic, you should be able to:

- plan, practise, perform, or create work related to portfolio review and feedback

Inquiry questions:

- How can portfolio review and feedback help you solve a real problem?

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Portfolio Review And Feedback: Learn

Portfolio Review And Feedback becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Tanzania.
2. Name the exact idea or skill.
3. Explain it in simple words.
4. Work through one model example.
5. Try a similar task independently.
6. Correct your answer using the success criteria.

Key words:

- Portfolio Review And Feedback
- Portfolio
- Review
- Feedback
- idea
- skill
- example
- practice

Portfolio Review And Feedback: Worked Example

Evidence model for Portfolio Review And Feedback: Teach a real example clearly.

1. Name the place, group, object, source, skill, or issue.
2. Give two facts or observations from the lesson.
3. Explain why the example matters in Tanzania.
4. Add one responsible action, improvement, or reflection.
5. Check that your response uses the exact vocabulary from Sanaa na Michezo.

Portfolio Review And Feedback: Vocabulary And Study Skill

Use these words and study moves before you practise Portfolio Review And Feedback. Good vocabulary helps you read the question, choose the right method, and explain your answer clearly.

Key words:

- Portfolio Review And Feedback
- Portfolio
- Review
- Feedback
- idea
- skill
- example
- practice

Study skill:

1. Choose three key words.
2. Say each word in your own words.
3. Give one example from Tanzania.
4. Use each word in a correct sentence, calculation step, diagram label, or oral answer.
5. Ask a partner to check whether your example matches the topic.

Common mistake to avoid: giving a general answer about Portfolio Review And Feedback without a clear example, method, or evidence.

Portfolio Review And Feedback: Guided Activity

Work with a partner or small group.

1. Read the inquiry question again.
2. Choose one real situation linked to a safe Tanzania creative, performance, movement, craft, artwork, or teamwork activity for Portfolio Review And Feedback.
3. Decide what evidence, method, vocabulary, tool, text, map, diagram, movement, or example is needed.
4. Complete the task together and explain each step aloud.
5. Compare your answer with another group.
6. Improve one part after feedback.

Group role check: one learner reads the task, one records ideas, one checks vocabulary or working, and one reports the answer.

Portfolio Review And Feedback: Practice And Correction

Practice for Portfolio Review And Feedback:

1. Plan, practise, or perform a safe creative or movement task that shows: plan, practise, perform, or create work related to portfolio review and feedback. Explain the choices you made.

Correction check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Reflection: What was clear? What needs more practice? What question will you ask your teacher or study partner?

Home link: Ask someone at home for one safe example related to portfolio review and feedback and write two useful sentences about it.

Portfolio Review And Feedback: Challenge And Remediation

Use this page after practice.

If you need support:

1. Re-read the success criteria.
2. Copy the worked example steps as headings.
3. Replace the model details with details from Portfolio Review And Feedback.
4. Ask one clear question about the step that is confusing.

If you are ready for a challenge:

1. Create a new task from school, home, community, environment, technology, sport, art, market, or fieldwork.
2. Solve or answer it using correct vocabulary.
3. Explain why your answer is reasonable.
4. Write one extension question for a classmate.

Check:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Portfolio Review And Feedback: Outcome Check

Show that you can plan, practise, perform, or create work related to portfolio review and feedback.

Before answering, reread the topic title and choose the exact vocabulary, method, evidence, tool, diagram, or example that fits this outcome.

1. State the main idea in one clear sentence.
2. Give one example, method, source, observation, or piece of evidence from this topic.
3. Complete a short task that applies the idea.
4. Check your answer against the success criteria.
5. Write one correction or next step.

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Upper Primary Creative Project: Lesson Opener

Learning focus: Upper Primary Creative Project

Country link: a safe Tanzania creative, performance, movement, craft, artwork, or teamwork activity for Upper Primary Creative Project.

Progression focus: prepare for upper-primary transition by using evidence, accuracy, and reflection.

By the end of this topic, you should be able to:

- plan, practise, perform, or create work related to upper primary creative project

Inquiry questions:

- How can upper primary creative project help you solve a real problem?

Success criteria:

- idea is planned
- skill is practised safely
- creative or movement choices are explained

Upper Primary Creative Project: Learn

Upper Primary Creative Project becomes easier when you connect the idea to a real situation, name the important vocabulary, and practise one step at a time.

Learning routine:

1. Look at a real situation in Tanzania.
2. Name the exact idea or skill.
3. Explain it in simple words.

Art Design And Visual Communication: Plan

Practical workshop for Art Design And Visual Communication: Plan.

1. Read the task and name the exact creative, craft, music, movement, design, display, or performance skill.
2. List safe materials, tools, body movement, space, or instruments needed.
3. Practise one small part slowly before doing the full work.
4. Check quality: control, neatness, rhythm, balance, expression, teamwork, care of materials, and safety.
5. Ask a partner for one kind observation and one improvement idea.
6. Improve the work and write what changed.

Reflection: What skill improved? What evidence shows improvement? What will you practise next time?

Music Dance And Cultural Expression: Materials And Safety

Practical workshop for Music Dance And Cultural Expression: Materials And Safety.

1. Read the task and name the exact creative, craft, music, movement, design, display, or performance skill.
2. List safe materials, tools, body movement, space, or instruments needed.
3. Practise one small part slowly before doing the full work.
4. Check quality: control, neatness, rhythm, balance, expression, teamwork, care of materials, and safety.
5. Ask a partner for one kind observation and one improvement idea.
6. Improve the work and write what changed.

Reflection: What skill improved? What evidence shows improvement? What will you practise next time?

Drama Script And Stage Skills: Skill Practice

Practical workshop for Drama Script And Stage Skills: Skill Practice.

1. Read the task and name the exact creative, craft, music, movement, design, display, or performance skill.
2. List safe materials, tools, body movement, space, or instruments needed.
3. Practise one small part slowly before doing the full work.
4. Check quality: control, neatness, rhythm, balance, expression, teamwork, care of materials, and safety.
5. Ask a partner for one kind observation and one improvement idea.
6. Improve the work and write what changed.

Reflection: What skill improved? What evidence shows improvement? What will you practise next time?

Craft Technology And Product Quality: Create Or Perform

Practical workshop for Craft Technology And Product Quality: Create Or Perform.

1. Read the task and name the exact creative, craft, music, movement, design, display, or performance skill.
2. List safe materials, tools, body movement, space, or instruments needed.
3. Practise one small part slowly before doing the full work.
4. Check quality: control, neatness, rhythm, balance, expression, teamwork, care of materials, and safety.
5. Ask a partner for one kind observation and one improvement idea.
6. Improve the work and write what changed.

Reflection: What skill improved? What evidence shows improvement? What will you practise next time?

Sports Skills Fitness And Strategy: Peer Feedback

Practical workshop for Sports Skills Fitness And Strategy: Peer Feedback.

1. Read the task and name the exact creative, craft, music, movement, design, display, or performance skill.
2. List safe materials, tools, body movement, space, or instruments needed.
3. Practise one small part slowly before doing the full work.
4. Check quality: control, neatness, rhythm, balance, expression, teamwork, care of materials, and safety.
5. Ask a partner for one kind observation and one improvement idea.
6. Improve the work and write what changed.

Reflection: What skill improved? What evidence shows improvement? What will you practise next time?

Leadership Safety And Inclusion: Improve And Reflect

Practical workshop for Leadership Safety And Inclusion: Improve And Reflect.

1. Read the task and name the exact creative, craft, music, movement, design, display, or performance skill.
2. List safe materials, tools, body movement, space, or instruments needed.
3. Practise one small part slowly before doing the full work.
4. Check quality: control, neatness, rhythm, balance, expression, teamwork, care of materials, and safety.
5. Ask a partner for one kind observation and one improvement idea.
6. Improve the work and write what changed.

Reflection: What skill improved? What evidence shows improvement? What will you practise next time?

Portfolio Review And Feedback: Plan

Add five more words from your lessons and write your own meanings.

Answer And Teacher Notes

A strong Sanaa na Michezo answer responds to the exact task, uses correct vocabulary, gives a clear example or evidence, and shows correction after feedback. For practical work, name materials, safety, process, quality checks, peer feedback, and one improvement made after review.

Final Project

Create a final project for Sanaa na Michezo that shows what you can now do independently.

Your project must include:

1. A clear title.
2. A real-life problem, question, text, performance, investigation, design, or worked task.
3. Evidence from at least three lessons in this book.
4. A drawing, table, map, chart, model, dialogue, paragraph, performance plan, practical product, or worked solution.
5. A correction note showing one improvement after feedback.
6. A short reflection explaining what you learned, what was difficult, and what you will practise next.

Presentation check: keep the work neat, label important parts, use correct vocabulary, and be ready to explain your choices to a classmate or teacher.
